

## The Dark Hallway

I usually hate these office party's but for some reason this one seems a little different. The lanai is beautiful with the candles floating in the pool, the palm frond huts displaying enough specialty foods to feed an army. And all the beautiful people who always frequent these pat-them-on -the-back, bullshit slinging, parties. For some unexplainable reason there are a lot of attendee's who I've never seen before. Catching my attention were two gentlemen talking at the bar. They looked like they had just stepped off the cover of GQ magazine. The African American gentleman reminded me of Tiger Woods, he was gorgeous! The white man looked like a Chip-in-Dale dancer dressed to the nines, with a handsome face and smile, that made my pussy contract when our eyes met for a second. I turned away not wanting them to know I was staring. Looking across the room all the women looked so well dressed and perfectly groomed. I've got to find the restroom and check my make-up.

The stairway positioned me at the end of a long hallway. The dim lighting made it somewhat difficult to see which doorway was the bath. Approaching the first door on the right side of the hall, I quietly turned the knob, opening the door enough to see what was inside. From my vantage point I could see in the large mirror on the wall the figures of two men. Holyshit, it's my husband's boss, he's sucking a training intern's cock ! It was as clear as a picture, there was absolutely no doubt in my mind, Alex's boss was a cock sucker! As much as I told myself to close the door and leave, I couldn't. The young intern had a huge cock and Don, Alex's boss, was giving him an unbelievable blowjob. The way he switch from sucking his cock to sucking his balls was visually arousing. I found myself squeezing my breasts watching the young handsome intern warning Don he was about to cum. Two loud screams of "Yes!", and he ejaculated into Don's mouth. I quietly closed the door, smiling and thinking to myself, "Don is a closet cock sucker."

Crossing the hall I opened the first door on the left. Before I saw anything, I could hear moans of pleasure. Peeking around the cracked opened door I could see Alex's secretary Denise in the middle of the king size bed with two of Alex's biggest customers. She was sucking one's dick while the other fucked her doggie style. I remembered each time I had accused Alex of having sex with Denise he always said she didn't fool around. God, from what's happening on the bed, they must have fuck a bunch of times.

I discovered myself thinking about Alex and Denise fucking watching the scene before me changed into a double penetration. Denise maybe a petite girl, but she was enjoying the two cocks hammering her into multiple climaxes. I became so aroused watching her cum, that I slid my hand under my panties rubbing my throbbing clit. The guy in her ass ejaculated first, falling off to the side exhausted. The guy in her pussy rolled on top, put her legs over his shoulders, and fucked her ramrod style. The harder he fucked her the more aggressively I rubbed my clit. Denise yelled out, "Don't stop, I'm cuming !" I could feel my explosion beginning to release when I noticed the guy on the bed watching me! Embarrassed, I backed out into the hallway, closing the door.

Where the hell is the bathroom I thought seeing a light from beneath the doorway diagonal across the way. That must be the bathroom, I thought as I open the unlocked door. I was greeted by a lady holding a clip board. "Are you one of the actresses? She asked. Before I could answer she instructed, "You can get ready over there." I just nodded as if I understood. Surrounding the bed were cameramen, lights, and stage hands. I knew the action, what ever it was, was happening on the bed. Just as I was about to discover what was happening a person, announcing himself as director, placed a piece of duck tape over my mouth. "Absolute silence." he ordered placing a finger across his lips in a sign of quiet. The obstacles blocking my view vanished, in front of me we three people on the bed. Two women, one riding a cock and other sitting on a face. Both women had bodies to die for. The one sitting on the face began to cum as she stopped making out with the one riding the dick. She kept screaming, "I'm cuming, oh fuck, I'm cuming!" Once the explosion had passed the one riding the dick asked to switch places with the one who'd just climaxed.

"Switch with me, I want to cum too!" she requested. As the woman sitting on the face got off I almost lost it. The guy was my husband, and I wanted to kill him. The clip board lady grab me so I couldn't get to him. I couldn't scream because of the dam duck-tape. As I struggled to get free the so called director confronted me. "Get her out of here. We've got a movie to shoot." The last thing I heard was "action" as I was escorted out the door. Released, I pulled the duck-tape off, and as I was about to pound on the door when I noticed the door at the very end of the hallway open. The two handsome men I'd seen down stairs at the bar were together in the door frame. "We've been waiting for you." they beckoned. A strange feeling came over me as I walked toward the two gentlemen. They each took one of my hands leading inside their room. "Did you want to check your make-up, the bath is over there." he said guiding me across the room. I looked in the bath mirror, everything was perfect, and returned to the bedroom. There were candles lit on the night stands, with massage lotions readied for use.

"Please let us relieve you of your beautiful evening dress." the handsome blackman offered unzipping my gown. In front of me the chip-in-dale guy began to remove his clothes as mine disappeared. With all three of us naked they lifted me onto the bed. The massage started out with them relaxing my shoulders, back, waist, and butt. Instead of spreading the warm massage oil with their hands, they spread it with their dicks! Once on my back I watched those two beautiful erections cover every inch of my body with oil. Together they rubbed my nipples with their dicks until they were fully erect. I grabbed the large black cock with my hand pulling him down onto the bed next to me. Lying, on my side facing him, I was about to slip my lips over that beautiful engorged head when I felt a probing from behind.

"Fire it up, and back it over here." I heard. Turning to see my chip-in-dale guy, who was trying to get into my pussy from behind, I blinked, "Fire it up Babe." There was no chip-in-dale guy, I'd been dreaming. Mr. Happy was up, hard, and ready for his morning fling.

"You won't believe what I was dreaming about." I responded to my husband's demands.

"Fire it up Babe, I'm horny." he insisted.

"I dreamed I was fucking two guys."

"Two guys?"

"Yeah, two guys, a black one and a chip-in-dale type."

"You should be so lucky."

"I was!" I smile applying the lotion so he could fuck me.

The End.
