

Public sex with Tammy (part 2)

I will get right to the hot details on this story. Tammy is an older woman in her early 60's, average body, nice tits, and a nice wide ass.

Tammy and I drove to a town about 40 miles from where we lived to find a motel and fuck all night. When I arrived at the meeting place she ask if we could get something to eat as she we need to keep her strength up to fuck me all night long.

We found a nice little cozy place to eat, we sat in a corner booth with a semi round bench style seat. We scooted in close to each other and started reading the menu. We talk about how we were going to fuck while drinking some wine. She then leaned toward me and whispered give me your hand. I joined her hand under the table cloth and she slid my hand under her dress. I moved my hand up to her pussy to find she had not panties on. My heart was beating so fast and hard, I wanted to finger her out her, but what if someone seen. She spread her legs and I moved my hand up and rubbed her clit, she moaned softly and whisper in my ear. I want you to eat my pussy right here.

Tammy I whisper back, are you crazy the will call the cops on us. I kept rubbing her clit and she was so wet now. Oh please lick my pussy please. I was so rock hard now, and was wanting to get a shot at her pussy. Tammy let go back to the motel and fuck now. No I want some action right here. I started to finger her pussy now and she was loving it. I looked around to see if anyone was watching. It was dark outside and the place had low lighting, with candles at each table.

She again whisper, if you eat my pussy just for a minute I will give you the fucking of your life at the motel. I know how she was she set me up again, she planned this whole thing, she gets off so much in public places. Finally I grabbed her by the neck and pulled her head close to mine and whispered into her ear softly, Tammy "i am going to bend down and eat your pussy for just a couple of minutes, so you better get off fast." She lite up with exctitment and said I will tug on you if anyone come close. I thought sure you will you fucking horny bitch. I looked around the room and slid down and pulled her dress up and gave her clit a good licking. She was very responsive and was pushing my face into her pussy. I went to town giving that juicy pussy the tounge fucking it needed. Within a couple of minutes she covered my face with her warm juices.

I sat back up quickly and looked around and nobody was watching. I grabbed the napkin and wiped my face off. I leaned into tammy and said I am going to the men's restroom you wait 1 minute and meet me their you need a good ass fucking for you actions tonight. Tammy was grinning ear to ear. What do you have in mind you naughty young man. I am going to give you the ass fucking of your life old woman and then cum in your mouth for setting me up tonight. She was beaming with excitement.

I got to the restroom and checked it out, small restroom with no lock on the door and one stall. She came in right behind me. I wasted no time and push her into the stall and slid the lock. Before she could say a word, I pushed her to bend over and she grabbed the back of the toilet with both hands. I took her dress and pulled it up to her neck, pulled my pants down to expose my rock hard cock. I rubbed my cock all around her dripping wet pussy and slide it in a couple of times. I then pulled it out and pushed the head of my cock into her tight ass. She moaned oh god I love your cock, she back into my dick and I pushed hard to slid it in. I reached down and rubbed some more pussy juices with my hand and rubbed it all over my shaft.

I made a couple of test strokes to get a good feel of her tight asshole. She was starting to talk trash to me as always, fuck my tight as you naughty young man, fuck tammy's old ass, fuck it good. I starting pumping that old ass, feeling my balls slap her. She was moaning and groaning, oh I love your hard cock in my ass fuck me good fuck me good, slam my ass good. She had me so turned, this was the best fuck of my life. Tammy I am going to fuck you hard then cum in your mouth for being a bad girl tonight. OH yes I am bad spank my ass now. I gave you ass a good slap as I fuck her good. About the time we heard the door open, I leaned back and looked through the crack to see an older gentleman taking a piss. I stopped with my cock buried all the way in her ass.

I was praying that Tammy wouldn't say anything, but you know what happened next. She spoke up, oh please don't stop fucking my ass just cause someones taking a piss, they won't mind ask them. I didn't say a word the old guy stop pissing. Oh god fuck me some more my ass needs a good pounding. All I heard was the guy zipping his pants up and the door opening. I wanted to cum so bad I wasn't about to stop. I grabbed her by her big hips and pounded her ass hard and non stop for a good 3 minutes. Tammy came 3 times during this time, when I was about to cum I pulled my cock out and spun her around and grabbed her by the hair and pushed her down on my dick. She went crazy sucking my cock, she took the nearly 6 inches and I fucked her mouth for about 15 seconds before sending my biggest load of cum down her throat, she started to gag but took it all. She then cleaned up my head and shaft of all the cum.

She told me that was the best ass fucking of her life and told me she was going to fuck my brains out tonight. Well Tammy I was pissed at you at first but this was so damn exciting. Let got finish eating and then find another public place tonight so you can suck my dick in public. She said wow you bet I will, I love your cock and will suck it anywhere you want.
