

The Substitute Teacher

Kathryn Edison hurried up the steps of Central High, flung open the front door, and proceeded directly to the principal's office. She was greeted with a hearty good morning from Mrs. Miller, the front desk supervisor and receptionist for Principal Johnstone. "What have I got today," asked Kathryn, hoping that it wouldn't be another math class?!? "Ah, let me see," replied Mrs. Miller, as she scanned a list of absent teachers, "yes, here it is, you sub for Jacob Lastinger in English Literature, room 231!" "Thanks," Kathryn answered gratefully, "at least it's not math!" Kathryn climbed the single flight of stairs to the second floor and found room 231 down the hall and to the right. When she entered the classroom, most of the students were already there, mostly milling around and exchanging small talk with each other. At 8:47 the final bell rang and the student took their assigned seats, dutifully waiting for Kathryn to begin the class. Just as she was launching into the lesson on Chaucer, the door to the hall way swung open and in sauntered Trevor Will, as if he didn't have a care in the world!!!

Kathryn put down her lesson plan and waited for Trevor to take his seat, and after he was seated, she looked at the seating chart to find out his name, and then asked, "A little trouble getting out of bed this morning Mr. Will!?!!" Trevor, with a look of total boredom, replied insolently, "No problem at all!!!" The class tittered at Trevor's response and Kathryn felt her cheeks turning red at being embarrassed by the young hoodlum. She stepped forward a few paces and retorted, "You and I will talk this over right after school, and don't even think about not showing up, or Principal Johnston will hear about it!!!" Trevor feigned a yawn but agreed to drop in after school, so Kathryn went back to her lesson and the class continued on with no further incidents. The day seemed to fly by, and Kathryn had completely forgotten that Trevor Will was coming in after school, and it wasn't until she heard a knock on the door jam that she remembered their appointment. "Come in Trevor," she offered, "and please sit down," while motioning to the desk in the middle of the front row. Trevor slouched down in the seat and let his legs protrude forward in a major display of insolence. Kathryn was about to reprimand him when she couldn't help but notice the large bulge in the front of his jeans! "My god," she thought, "he has a hard on and isn't even trying to hide it, of all the nerve of this boy!!!" "Now what did you want to see me about," a very cock sure Trevor said suavely? Momentarily flustered at the sight of the aroused penis in the young man's pants and his mouthy attitude, Kathryn stumbled for something to say. "Cat got your tongue, teach," the eighteen year old malcontent said insolently, "or are you more interested in seeing what's in here," as he patted the front of his crotch!?! A shocked Kathryn stammered, "Well I never!!!" "That's right teach, you probably never have," Trevor replied while laughing at her obvious discomfort! "Y-you can't talk to me that way young man," she spat, "I've a good mind to send you straight to the office!!!" "Yeah, yeah," Trevor yawned, while standing up, "let me show you what a real man has for you," as Kathryn looked on in absolute horror as Trevor Will proceeded to unzip his pants and pull out his erection! When it was free of its denim prison, it stood up hard and proud, with a large purple head that looked satiny smooth. Now stepping up very close her, Trevor took her hand and put it directly on his raging hard on and whispered into her ear, "Come on baby, give Trevor a little head, you know you want it!!!" Kathryn's head was spinning out of control, she wanted to slap Trevor's face and run out of the room screaming, but on the other hand, the huge pecker felt absolutely alive in her fist, and she could feel her pussy drench while holding on to the beautiful fuck pole! She felt two strong hands on her shoulders pushing her down to her knees, and while offering little or no resistance, in a matter of seconds her mouth was just inches from the large smooth head. Leaning forward just slightly was all it took, and Kathryn slowly opened up and took the thick member gingerly into her warm mouth! "My god," she thought, "what am I doing, I could go to jail for this!!

"Wanting desperately to pull away, Kathryn still couldn't help herself and sucked Trevor's pecker even harder, trying to induce the young man to blow his load quickly into her mouth! As mouthy and self assured as he was, Kathryn was still sure that he had little or no ability to control his ejaculation, and right on cue he emptied his balls into her mouth with torrents of hot cum which she greedily swallowed down in two gulps! All her adult life Kathryn had been a true cocksucker, always swallowing the ejaculate from the hard pricks of the men in her life, and Trevor was no exception, he was just another large cock to be sucked off!!! Sheepishly Kathryn got to her feet and was about to put an end to all this nonsense when Trevor pinned her up against the wall and stuck his hand up under her dress and began fondling her vagina through her cotton panties! "Please no," she said weakly, but spread her legs even further apart so the young stud had a better angle at attacking her pussy! She knew that it was inevitable now; she was going to get fucked!!!

"Wow, bitch," he marveled, "this is the hairiest cunt I've ever seen, I'm going to really enjoy plowing this field!!!" "You have a filthy mouth, young man," Kathryn managed to stammer, but her actions spoke much more loudly than her words, and she reached out and guided the thick piece of cock flesh to the opening of her twat. Trevor laughed at her and replied, "Oh yeah, baby, you're real upset with me aren't you, so upset that you're putting my cock into your snatch all by your self!!!"

Kathryn wasn't quite prepared for what happened next, because once the head of the 18 year old boys prick barely entered her pussy; he lurched forward with a vicious thrust that almost made her pass out!!! It was a mixture of pain and pleasure blurred together that was taking her to sexual heights she had never reached before! Trevor sensed that the slut teacher was in love with his cock, so he jammed his male gristle even harder and faster into her molten love box until both of them were on the verge of blinding orgasms. Kathryn was delirious with lust, and wrapped her legs around Trevor's waist trying to force his prick in even farther! There was something about fucking a woman who was really into it, and this bitch was into it in spades!!! The female orgasm is a complicated thing, but when it comes time to let loose, the first thing that usually occurs is the hard contraction of the vaginal walls around a hard pumping penis. This case was no different, and Kathryn's pussy convulsed hard and gripped Trevor's pecker for all it was worth, which of course signaled his pecker to shoot its load hard, fast, and deep into the bitch's hot cunt! Kathryn let out a loud long moan, and Trevor spewed out a string of gutter expletives as his orgasm timed itself perfectly with hers.

After getting the fucking of her life, Kathryn tried to regain a little bit of self esteem by chiding Trevor to please get to class on time! He looked over at

her and replied, "Oh, no, you going to keep me after school again, well maybe I'll just be late again tomorrow, I need to be punished, I'm such a bad boy!!!"
