

The Conway House

The day began with a lot of thunder and lightening it seemed like it would never stop raining. Ally and I spent most of the morning watching the news on TV. Shortly after lunch I asked if she had any plans for the afternoon.

"I'll tell you, I'm going nuts sitting around the condo. There has got to be some thing we can do?"

"There is but I don't think your horny enough because you haven't mentioned it yourself."

"What haven't I mentioned?"

"Getting together with one of your boy friends."

"We can't have anyone over here, so who's available?"

"If I tell you who, it takes the fun out of you choosing some one. Let me asked you, who would you like to have sex with this afternoon?"

"Let me think" she said thinking out loud. "Dennis has his mother visiting, Tim is up in Sarasota, the only possible one is Steve."

"Why don't you call Steve."

"I think I will." she said going outside to make the call in private.

"Hi, Steve it's Ally. How are you today?"

"Unfortunately this weather is keeping the clients away. It's real boring here answering the phones."

"I was wondering if you could show me that house again on Conway?" she asked.

"I sure can! How about 2:30pm this afternoon?"

"I'll be there waiting. See you in a couple of hours."

Ally came back into the house all excited about their planned encounter.

"He must have said yes according to the smile on your face."

"He did. We are meeting at two thirty at the house on Conway."

"Do me a favor this time, record it." I insisted.

"I will, so me how the camera works again."

After a brief explanation of how the camcorder worked, I further explained how to set the camera at the side of the bed. Understanding how to record their encounter she placed the equipment in her car immediately.

"Are you going to try to accomplish anything special with him this afternoon?"

"I'm going to insist he eat me until I cum. He always eats me but never long enough."

Ally put on her jean short shorts, a tank top, and nothing under either. "How do I look?" she asked as she was about to leave.

"Good enough to eat!" I answered with a smile.

Ally grabbed a couple of beers for Steve to enjoy during their encounter, got into her Civic and was of to her rendezvous with Steve.

Arriving just a little before 2:30 she parked in the driveway and waited for his arrival. Within minutes a white Armada pulled in behind her. Her heart began to pound with erotic anticipation. He came right up next to her door helping her exit.

"Let me help you with that." he said taking the video equipment. "Thank you, I brought you a couple of beers." she remarked holding the bottles up so he could see them.

Once he'd unlocked the front door, they entered going directly to the master bedroom. Ally fumbled with the set-up, but Steve helped her do it correctly. Before turning the camera on they sat on the edge of the bed discussing the events that had transpired during their time apart. Steve drank one of the beers, saving the other for afterwards. Ally asked him if he'd seen any old girl friends while he was in Colorado. He told her about one who picked him up at the airport, but she brought her fiancé with her. In short he didn't have any sex with anyone in Denver.

The warm-up conversation expired when Steve finished his beverage. The moment after he set the empty bottle on the night stand Ally laid a sexy wet kiss on his lips.

Their lips were pressed together as they undressed on the bed. Steve took control laying her back onto the pillows. Arousing her tits with his lips, tongue, and fingers, she melted in his arms.

"I'm so glad your back." she purred.

"I thought about you the entire time I was gone."

"Really?"

Steve didn't answer keeping the stimulation constant. While arousing her nipples and tits he slid a hand between her legs. The heat from her excited pussy got his immediate attention.

"Your already hot!" he exclaimed.

"I've been hot ever since you said we'd be together this afternoon. I haven't stopped thinking about your beautiful dick in me."

"Why did you wait so long to call?"

"Because I didn't want you to think I'm too pushy."

"If you want to fuck me, be as pushy as you possibly can. There is nothing I'd rather do than fuck you!"

"Remember that when I call you at 7am to come over and fuck me before anyone wakes up."

"Call. Call anytime you want. I'm always ready for sex with you. Speaking of sex, let's see how that little pussy tastes this fine day!"

"Steve, that is so good ! Don't stop until I beg you too."

Steve knew she wanted to cum on his tongue and applied the stimulation as required to give her what she wanted. He'd learned how she like to be eaten first, then slowly ad penetrating fingers to both her asshole and pussy.

"Oh, yes!" she screamed as waves of climax ripped through her body. "Oh, god, don't ever stop !"

He ate and fingered her until she was able to force his face off her pussy.

"Wow ! Have you become a great pussy eater."

"That's because you've got a great pussy."

A series of passionate kisses, Ally took his erection into her mouth.

"Suck it ! Oh god suck me off !" he gasped as she excited every inch of his rock hard dick. Steve placed his hands on her head to pull her down the length of his thick, seven inch, uncircumcised cock. Ally swallowed every inch without a problem. "You fabulous cock sucker !" he praised. Ally moaned sensually as the taste of pre-cum touched her tongue.

Steve had a thing about telling Ally he didn't shoot big loads just before he'd ejaculate into her mouth. This time when he mentioned it she warned him, "Don't cum, hold it back !"

Steve strained to comply as Ally increased her aggression on his dick. She deep throated him like never before and he shook his head in amazement.

"Your fucking unreal bitch ! I can't hold it much longer."

Taking her mouth off for a second, "Hold it ! Don't you cum until I say so."

Jerking his cock with her hands at the speed of light, she gave him permission to ejaculate, just before she swallowed him deep again.

"Oh, fuck, I'm cuming ! Look out, it's big !"

Ally sucked his dick with all the energy she could gather drawing cum from the depths of his balls.

"Oh god yes ! Oh, I'm cuming! Oh, Jane I'm sorry, I've never cum like that before."

Ally's mouth never left his ejaculating cock until the very last drop was consumed. "That was a delicious load of cum ! And, it was a load not a squirt."

"I've never cum like that before."

"All you had to do was hold back until it shot out of you."

"Boy, it surely shot out. Holy shit, I came like those studs in the movies."

"Your in a movie, remember ?"

"Oh, I completely forgot."

"Why don't you have another beer and maybe you'll be able to get it up and fuck me."

"I don't know. You sucked the life out of me."

"I want you to fuck the life out of me, drink up." she smiled.

Sitting naked on the bed as Steve enjoyed his beverage they talked about meeting at the house on Midway which was owned by her husbands x-wife.

"I'd like you to fuck me in Diane's bed. I know Alex wants you to because he'll be able to smile every time he drives by her place."

"How about Thursday afternoon ?" he suggested.

"That would be perfect because she's not coming over until Friday. Let's make it a firm date, we'll meet at Diane's at 2:30 on Thursday."

"It's a date." he agreed.

Passing the time toward recovery she asked him about the situation with his wife. He explained that they were friends in high school, both had previous failed marriages, and they were essentially together just so they wouldn't be alone.

"Do you ever have sex with her ?"

"Maybe once a month, if at all. It's not a amorous relationship. We are simply friends that live together."

"Alex says if your not doing her somebody else is."

"That's possible, but I don't think she's into sex at all."

"See, I don't understand how Alex can allow you to fuck me or anyone else for that matter."

"Because it turns him on when I have sex with you. He is home imagining what your doing to me right now."

"What turns him on the most ?"

"When you make me cum."

"So when you get home he will ask you what happened?"

"No. He'll watch the tape and see exactly what you did to me and what I did to you."

"I know you have experience with other men. How many others have there been ?"

"How many women have you had ?"

"I asked you first." he laughed.

"How many do you think ?"

"Oh, I'd guess about a hundred over ten years."

"I wish !" she gasp at the number.

"Your way off, I've had twenty one different partners."

"Only twenty one in ten years."

"That's quite a few considering I fucked them about five hundred times worth."

"Oh."

"I still have several who come by ever so often and have been doing so for many years."

"What's the kinkiest thing you have ever done?"

"There have been so many it's hard to pick one, but I'd have to say the time I had three cocks at the same time."

"Three guys at once!"

"What's your kinkiest adventure?" she inquired.

"Nothing like yours. I never even had two women at the same time. But, I've had sex in public on several occasions."

Reaching between his legs she grabbed his limpish dick. "Are you ready to be sucked hard so you can fuck me?" she asked.

"I'm ready." he answered as his dick instantly began to stiffen with her lips kissing the head. It took her about three minutes to get him up and hard.

Once erect, she mounted him.

"You horny bitch, fuck me! Rip my cock off with your cunt." he encouraged.

"Allly positioned his dick to excite her "G" spot deep in her cunt. Riding him like a cowgirl on a bucking bronco, her "G" spot erupted deep inside her cunt.

"Oh, Steve, I'm cuming on your dick!"

"Don't stop, keep fucking me, I'm cuming with you." he gasp.

"The rapid humping motion continued until neither could move. Ally fell off to his side breaking into laughter. "We waited almost an hour to fuck for ten minutes!"

"It was worth it to me, I came in quarts again." he proudly said.

"I came in quarts also. It just seems a little strange to me that we had to wait an hour to fuck for ten minutes." she laughed again.

Steve stood up putting on his pants, "I'm already excited about getting together at the x-wife's house."

"So am I. That should be a fun fuck. I'm sure my husband will join us."

Once both dressed they embraced one last time before going their separate ways. Forty-eight hours later they were laughing as the three of them entered the front door at the house on Midway. This time it there was no friendly conversation other than Ally asking, "What should we do first?" as she entered the foyer.

"Let's go to the master bedroom and fuck!" Alex suggested. The group walked directly to the master and stripped naked. Ally laid a beach towel she brought on the bed positioning herself on it in the center. Steve opened a bottle of lotion he'd brought, had Ally lay on her stomach and began to massage her sexy body. "Boys, that feels so good. What a fabulous way to enjoy a rainy afternoon."

Ally enjoyed the back massage so much she didn't want to roll over when Steve asked her to.

"Just a little more around my shoulders please?" she politely asked. Not being able to resist any request she would make Steve massaged the area for another few minutes before she turned over on her own.

Face up, Steve began his attentions to her front side by kissing her passionately as her husband rubbed her toes and feet. Every inch of her body was massaged by the men with Steve doing the top half and Alex doing the bottom. Having Ally spread her legs wide, Alex went down on her pussy. The increased moans of pleasure motivated Steve to switch from massaging to presently his cock for sucking. With a dick in her mouth, nipples being twisted, a finger fucking her pussy and a flicking tongue caressing her clit, Ally was in orgasmic heaven.

Expelling Steve's cock, "OOOooh! Yeeeesss! She experienced a powerful climax. Remarkably, the moment the climax settled she put his erection back into her sucking mouth. Between the powerful releases of erotic pleasure which occurred every four minutes or so, she enjoyed mini explosions. Shortly after she'd twisted and turned, screaming "I'm cuming!" an announcement was made by Alex. "Switch!"

Exchanging places Ally grabbed Steve's head as his tongue aroused her cunt gasping, "Oh, is that good!" The words changed to moans the moment she took Alex's erection into her mouth. The aggressive stimulation between her legs soon built into a massive eruption. Expelling the engorged dick from her mouth a cry of erotic release flowed from her lips. "Oh, yes! Oh, my god! Oh, yes! Oh! Oh! Yes! Oh, yes! Yes!" she came in quarts. Steve had to lifted his face from her climaxing cunt because she'd filled to overflowing.

"Holyshit, was that good!" she exclaimed still trying to catch her breath.

"Oh, go slow!" she gasp as Steve caressed her swollen clit. Sensually, he recaptured the erotic feelings of building explosions deep in her pussy.

"Oh, Steve! etc." she'd gasp as he fingered and ate her toward another major, climatic, eruption. In between the mini-eruptions and words of praise for Steve's oral application, she sucked Alex's cock. Tasting success her attention briefly switched to the cum leaking cock in her mouth.

Suddenly she pulled the cock out of her mouth and gasp, "Oh, my god!" Ally's body began to shake uncontrollably. "Oh, shit!" her legs went from being bent and spread to straight up squeezing Steve's head between her thighs. "Ooh, cuming!" she gasp straining into climax making animal sounds no one had ever heard before.

Pushing Steve's forehead away from her crotch she ordered him to stop. "Oh stop please! I'm done! Uncle!" He released her from his grasp.

"Wow! You sure have improved your pussy eating! That was wonderful, Steve. I haven't cum like that in years!"

"I almost drown when you closed your legs around my head."

"You made me cum in quarts! God that was good!" Steve repaid her praise with a beautiful tender kiss.

The next several minutes were spent praising each others performances, resulting in an abundance of laughter. Essentially there was an unwritten rule that gave anyone who experienced a breath taking climax was afforded a period of time to recover. Steve, who rubbed Ally's body during the entire break in action, suggested she get on her knees so he could fuck her from behind while she sucked Alex's cock. Complying with his suggestion she guided Steve's cock into her self lubricated pussy.

"Ally, is that hot!" he said as the pleasurable interior of her cunt wrapped around his submerged erection.

"I love your dick!" she praised taking her mouth off Alex's cock for a moment. Holding onto her hips for leverage, Steve pounded fast, hard, and deep. Other than the sounds of energy being used for erotic enjoyment the only distinguishable words were those from Ally asking to be fucked harder!

"Hey Steve, give me a shot at that pussy?"

The gentlemen switched places. Steve laid back with Ally between his legs, Alex slid his cock into her cunt from behind.

"I can taste your cum." she purred taking her mouth off Steve's erection for an instant.

"I let a little out while I was fucking you." he admitted. Ally moaned acknowledging his admission, sucking ever more aggressively.

"Suck him off, Babe" the voice from the hammering dick in her cunt sounded.

"Oh, no, I can't hold it!" Steve announced. Ally moaned like a whore tasting his ejaculations. Knowing Ally was sucking cum out of Steve's dick, Alex exploded.

"Oh fuck, you sexy slut! I love you!" Alex notified emptying massive loads into pulsating pussy. Falling off to the side of the bed totally out of breath Alex watched as his wife pulled Steve into the center of the bed and mount his still erect cock.

Past experiences riding Steve, she knew exactly how to move so the curve of his cock's-head would excite the G spot deep inside her cunt. She hadn't been ridding for more than a couple of minutes before the eruptions she sought began to reward her desire.

Steve kept the motion going strong with his hands on her ass as the eruptions deep in Ally's cunt began to rob her energy. Watching Ally's body getting closer and closer to lying on top of Steve's, it was obvious that the encounter was nearing the end.

Steve continued to hump up depositing a load as Ally collapsed onto his chest.

"Oh, thank you." she purred feeling the releases of Steve's cum into her cunt. The exhaustion effected everyone. There was very little talking as they redressed to leave.

Out in the driveway the group gathered around Steve's Armada.

"Is next Tuesday at 2:30pm good for everybody Ally asked. Everyone agreed next Tuesday would be fine.
