

Freeport Adventure

It was a contest for Susie's insurance agents. She had reserved and paid for fifty rooms in advance and fortunately for us had two rooms left over. When she asked us if we would like to go on the ship to Freeport and stay at the hotel for three days all expenses paid and bring our friends from Cape Coral, we couldn't resist the invitation. Ally called Jeanie and as luck would have it they were able to join us for the weekend.

We drove to the Ft. Lauderdale docks in our vehicle and met Susie dockside. A brief introduction of our friends and we were given a welcome kit, with our room assignments included. The cruise over to Freeport was nothing more than a floating gambling casino. We knew in advance about the boat and brought the necessary cash to lose on the trip over and the trip back.

The four of us roamed around deciding which games we'd play and which machines would most likely pay off. Dennis liked the excitement of craps taking a place at the table. We all watched as he won a few dollars, then gave them back. I had decided to play the dollar slots, but only the ones on the ends of the rows. Jeanie followed me as I selected a machine. Ally had decided to remain with Dennis and learn how to play craps.

Jeanie and I traded in our cash for dollar tokens, together we began to insert five for each pull of the lever. It was fun because it would pay small winnings about every third pull.

We both laughed as the slot machine ate more cash than it paid back. We stayed at the same machine for about an hour. We ran our tokens through leaving the winnings in the tray below the machine. Slowly but surely the amount in the tray of winnings disappeared. Then, when you least expect it, Whistles, bells, sirens, lights, went off! We'd actually hit a jackpot. Disappointing, it wasn't the big jackpot of course, but we received \$5000.00 in cash !!!

Collecting our winnings we went to find Dennis and Ally. They were still at the crap table and we shared our good fortune with them. They had achieved just the opposite losing almost every cent they'd brought to gamble on the trip over.

Laughing as a group we moved into the bar to enjoy the famous Bahama Mama's. The time flew by as we had a ball reflecting back on our gambling experiences. The booze went down so smooth we all had a buzz before we arrived in Freeport.

The time we spent together in the casino had without making a big deal of it, afforded us to become comfortable with each others spouse. Ally and Dennis were way ahead before we started this trip, but the time gave Jeanie and I a chance to get to know each other. By the time we actually got to the hotel we ready to switch partners. After checking into our adjoining rooms, as a group we scouted out the area. The dining room looked terrific, the pool area was fantastic, especially for the Bahamas. There was an informative sign poolside. "Clothing optional after 9pm"

"Look, we can go skinny dipping tonight!" Ally informed us.

Other than the hotel there weren't many options to explore.

Back at the rooms, with the adjoining doors open, we discussed our possible options before dinner. "What would you like to do Ally?" Dennis asked.

"I'd like a body massage." she smiled, handing him a bottle of ky massaging lotion.

"Oh, that sounds good to me also." Jeanie added.

Ally didn't say a word getting up and walking into Dennis's room and positioning herself on the bed. Jeanie followed suit climbing on Alex's bed. The door between the rooms remained open, and the sounds of pleasure soon filled both rooms.

Dennis applied the lotion to Ally's backside massaging up and down her entire torso. Spending as little time as possible on the backside, he rolled her over. The frontal massage began with kisses on the lips, neck, and tits. Fingering her pussy he provided so much arousal that it caused Ally to moaned in lustful pleasure.

In the other room Jeanie remained on her stomach until Alex had massaged her shoulders, butt, and legs. While massaging her feet he gave her ass a little slap, "It's time to roll over." Jeanie pleasantly complied. He began with her toes and slowly worked his way up her body. The only area he didn't massage was her pussy, leaving that for his tongue when he'd finished the rest of her little sexy body.

After relaxing her neck he bent down kissing her sensually on the lips. That arousal was followed by kissing her neck and finally her tits. Jeanie moaned in lustful pleasure as he sucked her nipples erect. Slowly he kissed his way down her beautiful, sexy, body. Caressing her clit with his probing tongue Jeanie became sensually vocal.

"Oh, is that good!" she purred as he ate her sensually.

In the adjoining room Dennis on his knees, had Ally on the edge of the bed, and was eating and fingering her into submission. She had her hands on his head as he ate her from one climax to another. "Oh, are you good!" she repeated over and over.

Knowing how tight Ally's pussy was Dennis not only ate her, but lubricated her cunt with the ky lotion, twilling his fingers around inside her cunt to loosen her up so his thick dick would fit later.

Jeanie was in for a treat, Alex's favorite activity was eating pussy until the recipient begged him to stop. Spreading her pussy lips with his fingers he slowly licked every sensuous spot his probing tongue could reach. Jeanie's body twisted and turned as the waves of lustful pleasure rushed through it. Her clit exploded with his tongue stimulating it non-stop.

"I can't stop cuming." she informed him. He kept the aggressive oral arousing going steady.

"Oh, Alex please....!" she gasp erupting in climatic orgasm.

"Stop, stop, oh god please stop" she begged not being able to catch her breath.

In the adjoining room Ally was screaming "uncle" as Dennis fingered and ate her into total submission. At about the same time both girls switched from being eaten to sucking their partner's cock.

Jeanie enjoyed the action because usually she had Dennis in her mouth and he was three times thicker than Alex. Ally had the opposite situation. The dick she was trying to suck was almost too thick to get her lips around, but she did! The girls sucked their respective cocks to the brink of ejaculation. The boys begged them to stop, because they both wanted to cum in their pussy's not their mouths.

Dennis's oral attack had produced the results he had hoped for. Ally's tight pussy had no problem allowing Dennis's huge dick to penetrate her. "Oh god is that good!" she praised as he began to pound her pussy.

"Fuck me ! Fuck me !" Jeanie demanded with Alex's 8 inches buried in her cunt.

"Does that feel good?" Alex asked, hammering her as hard as he possibly could.

"Yes. Oh god yes !" Jeanie acknowledged.

"Fill it, make me cum !" Ally announced so even the couple in the adjoining room heard it. Alex knew from past experiences that Ally only climaxed on one dick, Dennis's! He knew by her pleads of "fill me!" that Dennis was fucking her to lustful climax.

"Oh, yes ! I'm cuming ! Don't stop, fill it !" she cried.

"Upon hearing the climatic activities in the adjoining room Jeanie made it perfectly clear to Alex that she wanted to cum too !

"Fuck me harder! Oh, god I love it ! Fuck me! etc." she encouraged Alex to pound even harder. Placing Jeanie's legs over his shoulders he pounded her exposed pussy relentlessly. She built his ego by saying he was the best and to fuck her harder.

Suddenly Alex's body stiffen, which was a harbinger of his climax, he let out a cry of release that could have been heard back on the mainland. Falling off to Jeanie's side he gasp, "Oh, fuck! Holyshit Jeanie, I haven't cum like that in years." he explained.

"You did fill me!" she replied with a big smile.

"Your pussy is magical, you pulled the cum right out of my balls. God, your terrific." They wrapped in each others arms and kissed passionately.

Lying exhausted on the bed together they noticed that the adjoining room was silent. Struggling to get up and go see what was up Alex and Jeanie reached the doorway at the same time. Before their eyes were two bodies wrapped around each other, Dennis's limp, cum leaking cock, was in Ally's hand and her cunt was filled with his fingers. Seeing their spouses they sat up smiling.

"I heard you cuming, Honey." Dennis began the conversation.

"We heard you too." she replied with a smile.

"I think everyone came?" Ally said. "Shall we take a shower and go to dinner?" The group milled around taking showers and dressing before going up to dinner. Taking a table that was off to the side, in a corner, they ordered dinner and wine to class up the meal. Ally's voice carried further than she expected because Alex and Jeanie could hear her whispering to Dennis that she was still leaking a river of his cum from her pussy.

"Would you like to go to the ladies room? Jeanie asked having the exact cum leaking problem herself. The girls left for the ladies room and the first words out of Dennis's mouth were, "What a fabulous fuck ! Your wife drained the life out of me."

"Hey, Jeanie is just as amazing. I emptied everything into her I had, and she still wanted more."

"I guess you could say we are lucky son's of bitches."

"We sure are and the weekend's just beginning."

"What should we all do after dinner?"

"I suggest we wait until clothing is optional and go into the pool."

"We'll tell the girls when they get back."

In the ladies room, "Your husband is so big !"

"He's thicker than bigger, Alex's is longer."

"Did you enjoy it as much as I did ?"

"Maybe even more!"

"What do you think we should after dinner?"

"I know Dennis will want to do you again, so why not in the pool? Isn't it clothing optional after 9pm."

"That's what the sign said. I don't know if you know this but Alex is always horny, so watch out!"

"I'd bet he is not as horny as I am."

"Jeanie, he'd do you 24/7 if you'd let him." she laughed.

"And you won't mind if I let him?"

"Not at all. I plan on being with your Dennis as much as your with Alex."

The girls returned to the table. "Did you solve all the worlds problems ladies?" Dennis asked as they rejoined the table.

"We solved the biggest one. Jeanie and I decided that we're all going in the pool after dinner."

The meal arrived and the conversation became quiet because the food was so good. By the time coffee was served they had consumed two bottles of wine and no one was feeling any pain.

"Shall we go back to the rooms and not put on a bathing suits and go into the pool ?" The group with smiles on their faces left for their hotel rooms. Before exiting the privacy of their rooms they peaked out to check out the activities in the pool area. It was taken into account that several groups of adults had gathered in different sections of the pool and taken advantage of the clothing optional rule, they were all nude.

Wrapped in towels Ally and Jeanie lead the way out and into the pool. Alex and Dennis had no shame, walking out totally naked, no towels, with a plastic cups of beverage in their hands. Looking around it was obvious that other adult groups were doing more than just talking. Dennis couldn't help pointing out a couple, where the female was bent over, holding onto the splash rail, with her partner humping away from behind.

"That looks like fun !" Ally teased Dennis.

"Why don't you grab the rail over there and we'll see how much fun it is." Ally calmly floated over to the side rail with Dennis right behind her. Floating off the splash rail she spread her legs allowing Dennis to slid up between, and with help from Ally, slip his erection into her cunt.

Not concentrating on their nearby spouses, Jeanie wrapped her legs around Alex so his cock perfectly fit into her hot pussy. It was obvious what Dennis and Ally were doing, Alex and Jeanie's intercourse was much less revealing. However, long after Dennis ejaculated into Ally's cunt, Alex and Jeanie were still locked together as they made out and floated around the pool. Shortly after Dennis's big ejaculation he and Ally informed the others that they were retreating back into the room. Jeanie was enjoying the erotic feelings she and Alex were experiencing with their roving fuck around the pool. About a half hour after their spouses had returned to the room, Jeanie suggested they join them inside.

Opening the slider, they were witness to their spouses engaged in oral sex on the bed. Ally was lying between Dennis's legs sucking the life out of him.

"Shall we join them ?" Jeanie asked motioning to Alex to lay on the bed. Taking his erection into her mouth, Jeanie gave Alex the blowjob of his life.

Without a word spoken a contest began to see who could suck their partner off first. Both girls were experts at giving head and displayed their many talents. Ally had a head start with Dennis's dick, since they been back in the room for over a half hour. But Jeanie caught up in a flash. The sounds of women trying to suck off their partners filled the room. It would never be known who motivated who because when Alex let out a yell of ejaculation, Dennis joined him. Both ladies got a mouth full of cum swallowing every drop.

"Holyshit, was that good !" Alex gasp, praising Jeanie's performance.

"What a cock sucker !" Dennis expressed as he laid back to gather his lost energy.

The girls left their satisfied partners on the bed, calling the bar on the room phone for Bahama Mama's for all.

By the time the drinks arrived everyone had found and put on the robes provided by the hotel. The Bahama Mama's were just what the doctor ordered. The conversation became light and funny with the girls talking about the art of cock sucking. Neither admitted that a sucking contest had been the reasons for the blowjobs being so aggressive. Another round of BM's were requested. The hour was getting late and the last round of beverage consumed. Ally and Jeanie wanted to know what the sleeping arrangements were.

Alex said both the girls could sleep with him, but that didn't fly. Dennis tried the same thing with no luck either so the men asked the women what they wanted for sleeping arrangements.

"I think we should start out with our spouses, but during the night, if the spirit moves you, you can switch." Jeanie offered.

"Great idea." Ally agreed.

"Why wait to switch in the middle of the night? Why not switch now ?" Dennis questioned.

"He's right. Ally you sleep with Dennis, I'll climb in bed with Alex." The four split accordingly, and went off to bed.

"I'm going to get rid of the chlorine, how about you?" Jeanie asked walking toward the bath. Alex turned on the shower which had opposite-wall mounted heads. "That's neat." Jeanie said climbing into the warm falling water. They each had a shower head to themselves to soap up under. Finishing first, Alex turned, facing Jeanie's backside, sliding his hands around her ribs, lightly gasping her beautiful breasts. Moving his hands sensually over her body, she made pleasurable moans welcoming his arousal.

Turning to embrace, Alex growing erection poked Jeanie's little body in the lower chest. Taking him in hand, she pulled him down by the shaft, giving him a lustful kiss.

"Lay down, I want you right now." she insisted. Alex gladly laid on the tiled shower floor. Jeanie lowered herself onto his solid erection. "Fuck me sexy!" he seduced as she began to move in all directions.

"Oh, it's so hard ! I love it! Oh, yes squeeze my ass!" she said praising the feeling between her legs with squeezing fingers dug into her fabulous ass.

Jeanie was a horny woman on a mission. She moved her cunt so violently on his stiff dick it look like she was trying to rip it off with her pussy. He was non-stop praise of her pussy attack of his dick. "Jesus, can you fuck!" he'd praise. She increase her rapid pelvic thrusts. It only took a few minutes of her sexy moving body to cause them both to erupt in satisfying climax.

Recovering they paused to look into the adjoining room, seeing their spouses sleeping, they smiled intently as if they'd just gotten away with something.

Jeanie's sound sleep was interrupted by the sexual cries of a woman cuming. Waking Alex, she silently got up and went to peak through the doorway into the adjoining bed room. Waving to call Alex to join her, they watched their spouses engaged in oral sex from the doorway. Dennis was eating her, lying between her spread legs. Speechless, they watched Ally explode in multiple climaxes with Dennis moving from eating her to fucking her. The only sounds Dennis made were those associated with thrusting deep, hard, and fast. Ally was in receptive praise, enjoying every thrust to the fullest. "Oh, yes, fuck me! etc." she screamed over and over with his relentless pounding. He had a system, hammering her at top speed with individual thrusts that forced her tits up to her shoulders, which he'd do for about four minutes then remain motionless buried deep in her cunt for a short recovery. They'd watched Dennis repeat the scenario a couple of times when Jeanie took Alex by the arm leading him back to their bed. Wrapped in each others arms, Jeanie broke off their caressing by seductively moving down Alex's body taking his growing dick into her mouth.

"You sexy cock sucking bitch !" he whispered so she could hear.

"I love your cock !" she replied, stopping just long enough to comment.

Being 3 o'clock in the morning didn't effect their desire to suck and fuck each other into glorious climax. Jeanie did stop sucking when he warned her about not being able to hold back. "Oh, fuck!" he gasp releasing a giant load into Jeanie's mouth. She kept sucking. "Oh, god! Oh, fuck! Your amazing!" were his ejaculating praises as she sucked him dry.

"Was that good?" she asked crawling up next to him.

"You are fabulous! God, did you make me cum !"

"Are you ready to eat some pussy?" she seduced.

Without answering he kissed his way down her body to her pulsating pussy.

"Oh!" she gasp. "Is that good!" Alex's tongue caressed her clit.

"Eat me ! Yes, eat me!" she cried as he enhanced the arousal by inserting fingers in her asshole and pussy.

"I gonna cum!" she gasp. He ate more aggressively.

"Now! Oh yes I'm cuming !" she released as her body twisted in pleasure.

Jeanie's body heaved in search of a breath as Alex released her from his oral attack. "Are you okay?" he asked noticing she was having trouble catching her breath.

"I've never felt so good!" She smiled lying her head back onto the pillow.

Before allowing her to drift off in sleep, he ran his hands softly over her body. A brief caress of her nipple, he joined her in dreamland.

Morning came and both ladies found themselves alone in their respective rooms. The men had gone to the restaurant to get coffee and Danish.

"Do you know where they've gone ?" Jeanie asked.

"I don't know for sure, but I think they went for coffee."

"How was your evening ?" Jeanie smiled.

"I suspect the same as yours, wonderful." she answered.

"Coffee's ready!" Dennis said walking into the room from the poolside entrance.

"Put it down on the table by the couch." Ally directed.

The group sat together enjoying their morning wake-up beverage. "Is anybody up for a real breakfast other than me?" Jeanie asked. Everyone agreed that a full breakfast would be the proper choice. Several minutes to dress and the group left for the dining room. Shortly after being seated the waiter made the mistake of assuming who was whose spouse. "Would you and your husband" talking to Jeanie and referring to Alex, "like orange juice with your breakfast this morning?" Jeanie replied, "I'll have orange juice, I don't know what he wants, I just sleep with him, that's my husband over there." she said pointing to Dennis. "Oh, excuse me." he said embarrassed. Ally, seated next to Dennis said, "You didn't tell me last night that your were married." she laughed.

"You didn't ask." Dennis answered.

"You slept with her?" Jeanie questioned Dennis.

"Apparently, you slept with him." he replied. Alex looked at the waiter, "I'll have the orange juice."

"I'll have orange juice also." Jeanie added.

"I guess if our spouses are having orange juice we should too. "Two more OJ's." Dennis ordered. The waiter was totally confused as he left to begin their breakfast orders. While he was getting their juice, the girls switched places at the table. Returning with the orange juices the waiter noticed there was something different. "Is there something wrong? Ally politely asked the waiter.

"No, everything is fine." he said still looking confused.

"What do you suggest we have for breakfast?" Ally asked.

"Everything is good." he replied.

"What's the most popular?" Jeanie asked.

"The standard, eggs, bacon or sausage, toast, and coffee."

"Are you married?" Ally asked seriously.

"Yes madam, I am."

"Do you fool around ?"

The waiter just shook his head. "I don't know what to say." he laughed.

"Say you fool around, and Jeanie and I will give you everything you've ever dreamed of."

"Come on girls, you can't handle the men you've got. You don't need another one. Bring them each, eggs, sausage, toast and coffee." Dennis instructed.

Reading the name tag, "Carlos, bring mine to the room." Jeanie smiled.

The waiter looked at Alex, no response. Looked at Dennis, no response. "Why are you looking at them. I'm the one who wants you in my room." Jeanie informed.

"And once you've done her, come do me!" Ally added.

Carlos knew he was in trouble. "Ladies...I'm not allowed to fraternize with the passengers."

"Don't give us that excuse. We know you'd rather be with those young, hard, bodies, over there, than be with us. We understand Carlos."

"That's not true ladies."

"Carlos, we're not ladies, we sleep around."

"Ladies, please, I'm not allowed, I could get fired."

"Okay girls, that's enough, give Carlos a break. They maybe floozies Carlos, but they are our floozies." Dennis straighten out the beliefs.

Carlos became their friend for the remainder of the weekend providing them with fabulous service.

Having breakfast behind them the group went back to the room to decide what activities they take advantage of. The choices were few, pool, beach, or explore the island. Traveling from the port to the hotel they had seen ninety percent of the island. The pool was being used by kids who joined their parents on a get a way vacation. The beach was the best choice. The girls had noticed a bulletin in the room that said pre-made lunches were available for anyone planning a trip to the beach. Armed with beverages and picnic food they boarded the beach shuttle. A three minute drive and they arrived at a beautiful beach. The sand was as white as snow, with palm trees, and scrubs providing shade along the banks. Just a short distance down the beach they found the perfect spot. Spreading out the blanket, arranging the towels, and hiding the food and drink they made their way to the warm, Caribbean water. With bloody maries in hand they sat talking in the shallows.

"We really got Carlos flustered this morning."

"He almost lost it when you told him to do you after he did me."

"I know, He didn't know what to say."

"You'd better watch it because he may show up at the room tonight." Dennis warned.

"If he shows up Ally, do you want him first?" Jeanie laughed.

"Hey, I'd fuck him, he's cute." she smiled.

"You wouldn't." Jeanie questioned.

"You wouldn't?" Ally asked.

"He is cute, maybe." she replied.

"You two sound like whores dividing up the Alexs. You can't handle the two dicks you've got right here." he said grabbing his crotch.

Dennis and Jeanie decided to go snorkeling. Leaving Ally and Alex to fend for themselves. A lone about ten seconds Alex said, "I'm glad they are gone for a minute or two. I have got to fuck you! I can't get the image of Dennis fucking you at three o'clock in the morning out of my mind."

"You saw us?"

"You woke Jeanie and me up cuming when Dennis was eating you."

"He did fuck me good. My pussy is still sore."

"Oh, that's it, I've got to have you right now."

"We can't do it here on the beach and I'm not going to fuck in the salt water."

"How about over there in that grove of trees?"

"Grove? There's like three trees over there."

Silently running a golf cart like vehicle came down the beach. It was a hotel beach cart with shell shaped white fiberglass lounges on board. Ally wrapped a towel around her self as the attendant approached.

"Beach lounges? He asked. We took four of them, plus he had ice, beverages, towels, just about anything you'd need. Instead of using the shell lounges to recline on, they positioned them as a beerier so they could conceal they're sexual activities. Placing the towels on the sand inside the blind, they pulled the blanket over top of themselves. Under cover Alex achieved his need to fuck Ally. It only took him three minutes to unload a giant wad of cum into her sore, recently fucked, cunt. After achieving his satisfying climax, they removed the blanket, reset the shells, celebrating fucking on the beach without being caught with a cold beverage.

A few minutes later Dennis and Jeanie appeared from the lagoon. "See anything interesting?" they were asked.

"Not really. There were a bunch of little fish, no coral or colorful sea life."

"That's to bad. Look what we got!" Ally exclaimed pointing to the shells, ice, and cold beverages.

"Give me one of those cold beers." Dennis requested.

Over the next couple of hours the group read, took dips in the lagoon to cool off, and drank. In the early afternoon they'd had enough of the sun and sand deciding to spend the remainder of the day poolside. Sitting in the shade provided by large umbrella's Ally and Dennis began to get frisky. Dennis was lying on a double lounge chair with Ally between his legs lying back against his chest. Not so tactfully, he slid his hands around grasping her tits. Ally tried her best to act embarrassed, but you knew she enjoyed it. Increasing the arousal Dennis added kisses to the back and side of her neck. "Are you after something?" she asked.

"You know what I want. Shall we retreat to the room?"

Ally didn't answer getting up and walking behind Dennis through the sliding glass door into the bedroom. Their clothes came off in an instant, falling onto the bed making out.

"I want to eat you Jane." Dennis seduced kissing her tits and sucking on her nipples. Ally put up no resistance as Dennis positioned her on the bed

so he could kneel on the floor and eat her pussy. The first caress of his tongue on her clit was so arousing she screamed, "Oh, yes, eat me !" Out at the pool, both Jeanie and Alex heard the cries of pleasure coming from Ally.

"I know one thing, we are all going to sleep in the same room tonight. I don't want to wake -up from Ally screaming she's cuming like last night."

"Do I detect a touch of jealousy?"

"Maybe, let's go to the room." Approaching the adjoining rooms they noticed the slider was opened. "I see why we could hear them." Alex pushed the door closed and opened the one to his room. Jeanie walked straight to the doors connecting the rooms closing her side. "Listen, you can still hear them."

"Oh, god I'm cuming. Eat that pussy !" was faintly heard.

It soon became evident that Jeanie didn't care what Dennis was doing because she broke into song as Alex began to eat her pussy. "Oh, eat it ! God that's good ! Oh, yes, I love it !etc." He didn't stop with just the arousal by tongue, he sensually inserted fingers into her ass and pussy tantalizing her clit into constant eruption.

They couldn't hear the lustful pleasurable sounds being emitted from the adjoining room. Dennis ate Ally into non-stop climax, loosing her tight pussy up after each contraction with his penetrating fingers. Following her third major explosion she couldn't take another lick begging Dennis to stop eating and fuck her !

"Fuck me Dennis, fuck me! I want your fabulous dick in me now!" He followed her request mounting her missionary style. The first full thrust of his mighty dick made Ally gasp in acceptance. "Oh, god are you big! I love it!"

Dennis being in great shape pounded her pussy relentlessly. She never stopped screaming as he gave her the fuck of her life. "Oh, yes, fuck it ! Oh, god are you good!" she praised. Of the numerous partners Ally had fucked over the last ten years non made her cum on their dicks like Dennis did. The thickness stretched her cunt so wide she experienced sensations she didn't know were possible. Oh, my god I'm cuming on your dick!" she'd cry out as the waves of climax ripped through her body. Fifteen minutes of hard pounding and Dennis ejaculated huge loads of cum deep into Ally's cunt. She screamed "Yes" with each release.

Meanwhile next door Jeanie was also getting hammered. Alex had eaten her into submission, and was now fucking the life out of her. Placing her little legs over his shoulders he pounded her exposed pussy. Unlike Dennis, his was unable to fuck longer than five minutes. Jeanie's cunt was so delicious, wrapping around his thrusting dick like a glove. "I can't hold it!" he warned.

"Fill me!" she seduced, and he unloaded a massive load into her. As he feel off to her side, a round of applause was heard from the doorway. Ally and Dennis, after finishing their climatic encounter, came to watch their spouses fuck.

Joining their sexually relieved partners on the bed, Jeanie asked Ally if she was going to dress-up for dinner. "I don't think so, what are you going to do?" "I thought we all should go to that seafood place down by the beach." Dennis reminded them that the food at the hotel was included, and we'd have to pay at the seafood place.

Jeanie made the suggestion that we order and have Carlos deliver it to the room.

"You just want to fuck him." Dennis inferred.

"If she's going to fuck him so am I." Ally added.

"You two are both full of shit. Neither of you would fuck him if he came through the door right now." Alex explained.

"Maybe Jeanie wouldn't, but I sure would, he's cute!"

"Don't count me out, I asked him first at breakfast."

The idea was sort of laughed off with the exception of ordering dinner in the room.

It was early, to early to eat, so they decided to go for a walk down the beach. Passing the area they'd been at in the morning they noticed a small eating place used mainly by the island natives. Inside it had five tables, three were occupied, and they took seats at one of the ones remaining.

"Good evening man." the host welcomed.

"What can we get for you this evening?"

"What do you recommend ?" Dennis asked.

"I suggest the catch of the day man, grouper."

"How is it prepared?"

"Baked man, the only way to eat grouper is baked."

The four discussed the situation and agreed to have grouper as suggested by the host.

"Do you have Bahama Mama's ?" Jeanie asked.

"The best on the island." the host answered. Four were requested.

The host was right about the drinks they were fantastic. The hope was the fish would be as good. Everyone without exception said the fish was the best they'd ever had. Leaving the restaurant they agreed it was one of the best decisions they had made to eat at the little local eatery. The sun was setting as they slowly made their way back toward the hotel. Standing on the beach with their arms around their actual, legal partners, they watched in silence as the sun set.

"What are we going to do tonight?"

"You mean other than fuck?"

"That's understood, but where should we go now?"

"By the time we get back to the rooms, get a cold beverage, the clothing optional begins at the pool."

"That's a good idea. We can keep cool, refreshed, and naked." The party left to undress and grab a Bahama Mama from the pool bar and relax talking in the perfect temperature water. There was a comfortable amount of cock grabbing and tit rubbing as the four enjoyed the uninhibited conversation.

"Excuse me a minute." Jeanie announced seeing Carlos across the pool. The group watched as she made her way to the edge, obviously in a conversation with Carlos. He reached down helping her out of the pool and they walked directly into poolside bedroom.

"I want some of that too. See ya boys." Ally said heading across the pool and straight for the room to join Jeanie and Carlos.

"Jeanie has fantasized about doing something spontaneous like this." Dennis informed.

"Should we make sure they're okay?"

"They will be fine. Carlos will get the life fucked out of him."

The men joked as how their wives would give Carlos the time of his life, inside the room the wives had become sluts, making their joke a truism.

When Ally arrived at the room, Jeanie was sucking Carlos's cock as he laid on the bed. Ally moved up lowering her pussy onto Carlos's face. When Jeanie tasted the first taste of precum she changed from sucking to fucking, riding his cock like a whore on a mission. In the heat of the moment Ally and Jeanie fell into each others arms. With a cock in one and a tongue in the other, the girls gave each other a lustful kiss. The passion grew to an all time high as they climaxed on Carlos, enhancing their sexual appetite by squeezing each others tits, kissing like lovers.

Carlos emptied his massive loads into Jeanie's fast moving climaxing cunt. The girls laid facing each other on the bed as Carlos got up, dressed, and left. "Bye." They said as he closed the slider.

"That was different." Ally acknowledged.

"Did you like it?" Jeanie asked.

"Surprisingly, yes, very much." she admitted.

Noticing Carlos leave the men hurried to the room. "Everything all right?" Alex asked entering the room. "Everything is fine Babe." Ally smiled.

"How was Carlos?" Dennis asked.

"He's a good pussy eater." Ally informed.

"A nice hard cock, I came on it." Jeanie smiled.

All four fell asleep on the bed being woken by the house phone. "Hello?"

"Good morning it's your wake-up call. The shuttle to the docks leaves in 90 minutes."

"We've got to get up and get moving. The shuttle leaves in 90 minutes." Everyone quickly prepared for their departure. Grabbing breakfast before leaving the ladies had a ball ordering their food from Carlos. At 9am they were on their way to the ship. At 10am they sailed. Together at the tables gambling the mood was slowly changing to the known ending of a great time. Standing behind Ally as she lost money in the slot machine, Dennis whispered in her ear, "I want to eat you."

"Hear?"

"Follow me to the bathroom." he said exiting with Ally right behind. The Discovery Ship is essentially a gambling vessel. The state rooms had been replaced with casinos and the only private areas were the restrooms. Dennis located one that actually had a lock on the door. The interior had a long dressing table which he lifted Ally up onto. A brief kissing and tit fondling was followed by the removal of her shorts and g-string. From a kneeling position he began to give her an eating of a lifetime. Using his fingers, lips, and tongue he gave her the type of pleasure that she'd only dreamed possible. Knowing the location her praise was constant but controlled. "Oh, Dennis your so good!" she purred. After a flurry of mini-climaxes she gasp, "God, do you make me cum." Several more pleasurable orgasms and she begged him to stop. He paused the stimulation of her clit, maintaining the motion of penetration with his fingers in her pussy. "Oh, I love it!" she gasp. Reapplying his tongue, the aggressive attack caused her to erupt in powerful climax. "Stop! Please stop ! Uncle, uncle!" Dennis released her kissing his way slowly up her body.

As their lips pressed together, Ally reached down between her legs, grabbed his dick, guiding him into her hot, wet, tight, cunt.

"That's tight!" he said pushing hard into her contracted cunt.

"Easy, it's so big! That's it, keep pushing! Oh, yes, god that's good ! She exclaimed as he sank to the depths of her pussy. They fucked slowly enjoying every thrust celebrating with a kiss each time his balls hit her ass.

"I love the way you fuck me." she seduced.

"How do you want it? In your pussy or all over your tits?" he asked.

"Cover me ! Cover me in cum." she requested.

His thrusting increased to a level that caused her tits to fly all over her chest. The strain on his face warned her of the pending explosion.

"Cum on me! Cum Dennis !" she cried. He took a huge hard thrust, let out a moan of release, pulled out jerking off onto her tits, tummy, and shaved pelvic area. She was covered in cum.

"Oh, my god !" she said looking down over her cum covered body. Dennis laughed seeing the magnitude of his massive ejaculation, "Your covered." Being the gentleman he was he grabbed a supply of towels so she could wipe off and redress. Returning to the blackjack table where Jeanie and Alex were playing, Jeanie welcome them back with, "I can't believe it, you just can't get enough, can you?"

"Never." he responded.

The weekend came to an end. Freeport and Bahama Mama's would always be a favorite memory.
