

The X-Wife's Bed

I was minding my own business doing projects around the condo when Ally interrupted my train of thought.

"I'm so damn horny I could fuck my vibrator!" she announced.

"What the hell are you talking about?" I asked.

"I don't know. I've just got the urge to get laid."

"Jesus, we fucked this morning."

"I know and it was great, but for some reason I'm still very horny. Maybe because you kept referring to me fucking Dennis, while you were pounding me, I don't know."

"Do you want to fuck Dennis?" I asked.

"I dreamed about it all night. He is such a good lover, he knows how to make me cum orally! Plus he's got the greatest dick I've ever had."

"The problem is we can't go to his place because of his mother being there and he can't come here because of your Mom."

"Yeah, I know. How long before his brother takes his Mom back to Pa.?"

"I think he said some time next month."

Ally left me out in the garage cleaning up the mess I'd made over the past few months. When I rejoined her later inside on the lanai, she was reading her novel. "Is that what your going to do all day, read?" I asked taking a seat in my recliner.

"I have to go to Publix and while I'm out and about I thought I'd call Steve and see if he's got any new listings."

Steve is a real estate broker who loves to show Ally his new listings. Being that he is handsome and loves Ally's body they usually meet at a listing enjoying a sexual encounter. We had seen a TV show *Desperate Housewives*, where a couple fucked in real estate listings, Ally and Steve were enjoying the same situations.

On her way to the store Ally called Steve, "Hi, how are you Steve?"

"As a matter of fact I was hoping you would call."

"Why?"

"I've got a new listing in the condo's off Magdalena."

"The yellow ones?"

"Yes, and it's third floor with a view of the pool area."

"When can we check it out?"

"Any time you want."

"I'm at Publix now, I can be there in five minutes. Where are you?"

"I'm twenty minutes away."

"I'll see you in twenty minutes."

"I'm on my way."

Ally finished her shopping and headed for the yellow condo's. She waited for Steve's big white Armada to pull into the parking lot. Getting out of her Civic she went straight into his open arms.

A brief kiss, "shall we go upstairs?" he smiled. "Let's go!" she agreed. They didn't waste the time in the elevator, making out from the doors closing to opening. Sliding a hand between her legs as they kissed Steve noticed the heat of her pussy. "Your hot already!" he informed.

"I want you!" she seduced. "Oh, shit!" he gasped opening the door. Ally walked over to the large slider to check out the view. Steve followed behind her. Turning from the glass view, Steve took her into his arms kissing her passionately. Reaching down grabbing his hardening dick she expressed her desire to suck his cock.

"I want to suck your cock." she insisted. They quickly walked to the master bedroom. Steve dropped his pants, lying back on the bed. Ally was naked in a flash positioning herself between his spread legs. Taking his average length, uncircumcised cock into her mouth.

"I love your lips on my dick!" he praised, as she licked and kissed every inch of it. Taking his balls in her massaging hands, then into her mouth he shook in painful pleasure. "You ball sucking slut." he gasped. She moaned in acceptance sucking his nuts into her mouth. Steve twisted and turned as she sucked his nuts aggressively. A gasp of relief, "Oh yes!" as she released his balls taking his cock deep down her throat.

"Oh, fuck is that good!" he praised with her constant dick. Ally worked her mouth and hand up and down his rigid shaft. The stimulation built even higher when she slipped a finger up his asshole.

"Oh, fuck Ally!" he gasped, responding to the digit in his asshole.

"Do you like that?" she asked taking his dick out of her mouth for an instant.

"Oh, god yes!" he answered.

Placing his hands on the back of her head he helped guide her up and down his shaft. "I'm going to squirt!" he warned. Ally increased her attack. When the first load touched her tongue she moaned in prideful success, sucking as hard as she could drawing the cum from deep in his balls.

"Oh god, Jane that was good!" he praised withdrawing his dick from her grasp.

"Did you enjoy that?" she sensually asked.

"That was fabulous." he reassured.

"You came big time in my mouth."

"I know and you swallowed every drop."

"Now it's your turn to eat me until I cum like you did."

"Lay back and spread them!" he instructed. Ally took her position in the center of the bed, giving Steve full access to her pussy. The moment his tongue found her clit she let him know, "Yes! Eat me! Make me cum Steve, make me cum in quarts." she ordered.

He began by running his tongue from her clit to her asshole arousing every inch on the path. Concentrating on her clit he ate her aggressively creating mini-climaxes that erupted filling her cunt with lust liquid.

"Put a finger in my cunt." she requested. Steve wet his index finger slipping it into her pulsating pussy. "Not so hard" she begged, and he fingered her less aggressively and more sensually. "Yes, like that!" she said erupting in climax.

Steve feeling her explosion began to withdraw his application, "Don't you dare stop until I tell you too." she demanded. He returned to his stimulation. Ally's cunt was on fire and she loved it. One breath taking climax after another as Steve ate and fingered her. "Put another finger in my ass!" she ordered.

"I didn't think you liked that?" he questioned.

"Please, finger my ass!" she insisted. Steve shoved it in. "How's that?" he asked.

"Yes, I love it!" she praised. The dual digit stimulation and the lashing attack of his tongue made Ally explode in quarts.

"Oh, yes, I'm cuming! etc." she screamed. The moans of pleasure had been controlled, but the screams of "I'm cuming!" could have been heard in the adjoining units.

"Did I do good?" he asked as Ally laid next to him recovering.

"You did fabulous!" she praised.

"You seem to like my finger in your ass, how about my dick?"

"If you promise not to hurt me." she replied.

"I won't." he said kneeling, taking hold of her hips and placing her in the on all fours position. Ally reached down between her legs, grabbed his erection, guiding the engorged head into her asshole. "Easy, go easy, the muscle has to loosen before you can get in."

"Relax, just take a deep breath and relax your ass." Ally did as he suggested. He pushed in a little further, "Is that okay?" he asked.

"That hurts a little." she warned.

"Relax, you have to relax your asshole."

"I am." she insisted.

"How's that?" he asked after a thrust inward.

"Okay! Go slow, please go slow." she gasp. Steve obviously had experience ass fucking, because he managed to push to the maximum depth his dick could reach. "How is that?" he asked starting to hump rhythmically.

"Good!" she gasp.

Steve took hold of her hips for leverage and began to make long forceful thrusts into her asshole. Ally placed a hand between her legs rubbing her clit as Steve pounded her asshole.

"Fuck me!" she gasp as the arousal built in her clit. Rubbing faster she brought herself to climax as Steve emptied his loads into her ass. They both laid satisfied together on the bed.

"Did you like that?" he asked.

"What do you think?" she smiled.

"I think you did." he smiled back.

"I like this condo, what are they asking for it?" she inquired.

"Way too much, \$275,000. It won't sell in a hurry, we'll be able to use it throughout the summer. The owners won't be back until November."

"When can we fuck here again?" she asked.

"Next week, early, like Tuesday." he replied.

"Call me if your free before then, okay?" she informed.

"I'd like to fuck you everyday if I could. I'm just so busy and not making shit. This dam market better change soon."

"Try not to sell this place because it's perfect for us to meet in."

"With my luck it will be the only place that sells." he laughed.

Ally left after a kiss goodbye and a promise to meet again next week. Ally couldn't wait to get home and tell me about her encounter.

While she was out having a ball with Steve I was working on a story about a Freeport Bahamas trip with our friends Dennis and Jeanie. Since Dennis was stuck at home I thought he'd like to read the first draft so I'd e-mailed it to him.

Ally had a big smile on her face as she entered the Villa.

"Looks like you had a good time?" I asked.

"It was the best with Steve yet!" she said with a look of accomplishment on her face.

"Are you ready to have me eat the fuck out of you or do you want to wait until later?" I inquired.

"Let's wait until we go to bed for the night."

"Are you going to tell me what happened or what?"

"Can we save it for later? I will tell you he took me up the ass !" she said proudly.

"Up the ass?"

"Yes, and I came in quarts!"

"Oh Babe, tell me more." I begged.

"Let's wait, it will turn you on before you eat me tonight."

"Okay, but I don't think it's fair."

The major event happened late that afternoon. Ally answered my phone while I was in the bathroom. Back on the lanai she handed me the phone and disgruntled she said, "Diane called."

"What did she want?"

"I don't know, I didn't ask. She wants you to call her."

The relationship between my x-wife and myself is what I'd call bearable. Because everyone has their own reasons for divorce, the one thing I learned was she never told the truth. To date I listen to her because of the children, but I don't believe a word she says.

"Hi Diane, Ally said you called." She took over the conversation and I listened to her explanation of not renewing the contract to sell her house in Port Charlotte.

If I would show it to people who take brochures and call for an appointment. She would pay me \$5000 for my efforts. The brochures would be received next week and an open house sign was in the living room, if I wanted to hold an open house.

Ally listened to the entire conversation and at the conclusion she said, "Why did you agree to help her ?"

"Because I thought it would be nice to have a house to go to if you wanted to fuck somebody !"

"We could use Diane's house?"

"Anytime except the weekends she's over here."

"I'll have to let Tim know tomorrow."

That evening after MSNBC's Countdown, Ally began to describe in detail the encounter she'd enjoyed so much with Steve. Listening to her tell me how he ate her with fingers in her ass and pussy, how he made her cum, and how great it felt, I ordered her onto the bed.

"Put your sweet little ass on the bed, you slutty, desperate, housewife." I demanded. Ally removed her robe climbing into the center of the king size bed.

I positioned myself between her spread legs, placed a pillow under her ass to enhance access, spread her pussy lips with my fingers, running my tongue slowly over her swollen clit. She moaned like a whore in heat as I ate her from one powerful climax to another. The fingering, the lashing tongue, and the countless climaxes lasted for thirty minutes. Ally was totally exhausted from cumming as we drifted off to sleep.

The morning juice and coffee were consumed as I searched the web for responses to all e-mails sent that week. Immediately I saw a response from Dennis about the Freeport story. He said he'd read it twice and was walking around with a hardon! I sent him a message about our newest find, a house on Midway. Before I got back from getting another cup of coffee, "You've got mail"

"My brother is going to watch my mother. I can be at the Midway house at eleven. Tell Ally to be lying on the bed naked and I'll eat her luscious pussy! Dennis."

"Babe" I yelled to get Ally attention. "What?" she answered from the bedroom closet. "Dennis wants to know if you can meet him at the Midway house at eleven?"

"How does he know about the Midway house?"

"I told him."

"Did you tell him it's your x-wives ?"

"No I didn't and I don't think he cares. He just wants to eat your pussy and fuck you."

"We better leave here at ten to make sure the ac is on and the bed is made."

"Bring a towel so you two can screw on her comforter."

We got to the house, turned the air on, laid the towel on the bed and sat in the living room on the sectional, waiting for Dennis to arrive.

"Suck it Babe." I said removing my erection from confinement. Ally leaned down giving me a wonderful blowjob prior to his arrival. "Here he is!" I said seeing him pull into the driveway. Ally dashed to the bed room to get ready and I met Dennis at the door.

"I see your tailbone is better."

"A thousand percent." We shook hands, walking toward the front door. "Ally's in the bedroom waiting." I smiled.

Dennis went directly to the doorway to the master. Ally was naked lying on the bed. Dennis removed his clothes as he approached her. Kissing romantically he arouse her lips, tits, and pussy.

"Oh, your so good!" she exclaimed as he began his oral application. I positioned myself up by her head so she could suck my dick as he ate her pussy. It really turned me on as I watched him widening her tight pussy with his penetrating fingers so he could get his super-thick cock in later.

Knowing he was preparing her to fuck got me so excited, Ally tasted pre-cum leaking from my dick. Ally's pussy was sensitive before Dennis's tongue

ever touched it, so it didn't take him long to make her explode in orgasmic climax. "Uncle, uncle." she cried. He let her move from his grasp.

It was Dennis's turn and he loved the feeling of Ally's lips on his dick. "I love the way you suck my dick." he'd praise. Ally also had a thing for his dick being it was the thickest she'd ever had the opportunity to fuck and suck.

Ally stood on the floor lying up between his legs sucking his dick using both hands, lips, and tongue. I got behind her, had her spread her legs, she guided my cock into her cunt. I fucked her, she sucked Dennis's cock, and we all moaned in lustful pleasure. The harder I'd ram my cock into her cunt she slid her mouth down his shaft. I released a small load into her cunt falling back to watch them fuck. Ally crawled up Dennis's body, placed the head of his giant cock into her cunt, pushing down onto him. "Are you okay?" he asked pushing his dick up into her cunt.

"That's so different. God are you big !"

"Fuck him Babe, moved that pussy, fuck him." I added.

I moved around to see what it looked like from behind. I could see his huge cock thrusting up into her, she looked so small being penetrated by his mighty dick. "Fuck me!" she'd beg. He'd hammer her. About five minutes of pounding sex and Ally couldn't take any more. "That hurts!" she cried. Climbing off she asked him to take her missionary style.

Applying a generous supply of lubricant Dennis positioned himself for entry. "Ready?" he questioned.

Ally gave one huge gasp as Dennis pushed deep into her tight pussy. "Is that okay?" he asked making several quick thrusts. "Yes!" she gasp.

Watching Dennis, with that huge dick in my wife, caused me to think about how full she must feel. Pounding for about three minutes, Dennis slowed his thrusting to long slow penetrations. "Oh, that's so different! She praised.

A couple minutes of slow humping, he resumed the hard pounding for another three minutes. Ally moaned in painful pleasure as his dick stretched her wide and deep!

I thought, experiencing the scene before me, "boy would my x be pissed if she new what was happening in her bed."

Suddenly, the event I had dreamed of unfolded before my eyes. Ally wrapped her legs up around Dennis's waist totally exposing her cunt to his relentless pounding. "Fuck me!" she begged, "Fuck me harder!"

I saw Dennis take a deep breath just before he fucked her so hard it made her scream in painful pleasure. "Oh shit, I can't take it anymore!" Dennis immediately stopped. "Are you okay?"

"I'm fine. Is it all right if I suck you off?" she inquired.

"Please, be my guest." he said lying back on the bed.

Ally applied every bit of her oral talent she had on his balls, shaft, and dick head. About ten minutes into a fabulous blowjob Dennis began to jerk off as Ally sucked.

"Here it cums !" he warned releasing several giant loads into Ally's mouth. Sucking until the last drop joined the lake in her mouth, she smiled, releasing a waterfall of cum from her lips onto the spread.

"You sexy slut!" I praised watching the massive amount of cum pouring from her mouth.

"Thank you Ally." Dennis praised while he redressed.

Walking toward the front door Dennis stopped, looking around the foyer, living room area, "Not a bad place to fuck !"

"When can you get away again?" Ally asked.

"Most likely next month, I'd guess."

"Call us, we've got this house." Ally added.

"I definitely will." He gave Ally a kiss goodbye.

As we left the driveway, "What did you think? She asked.

"I thought it was a great fuck and fabulous cock sucking ending. That was one huge load of cum in your mouth!"

"It might have stained the spread." "I know, I loved it!"
