

You Could Be President II

It was different pulling a fifth wheel, traveling in a caravan at an average of 50mph trying to save fuel. The trip from Arcadia's Peace River Campground to Henderson State Park was an all day haul. We pulled into our assigned site around 5pm, an 8 hour haul. Our group had eleven sites reserved, all with ocean views! As set-up began the interactions of a traveling ban of friendly Rvers was evident. Being it was the first location for the annual adventure, the group shared their experiences of their time a part. Around six everyone had completed their initial set-ups gathering at Ted's and Paula's with cocktails in hand. The ladies formed one group and the men another. Standing next to Ted, who seemed to be the leader, I listened intently hoping to learn from their experiences. The only subject covered was everyone's desire to sleep with each others wives. Ted introduced me to the group members I hadn't met by saying my wife Ally on a canoe trip down the Peace River gave him the best blowjob he had in years! I received a group welcome!

The ladies group was much more professional at their meeting. They actually planned the dinner meal, breakfast, and what the first group activity would be. Lastly, they decided that there would be NO swapping this first evening.

Ally introduced me to Joyce and her husband Tom. During dinner we discovered a number of common interests outside the RV world. The girls planned a picnic lunch, Tom was going to show me how to surf fish a long the shore.

Back at the fifth wheel we finished setting up for the months stay. Ally asked me what my impression of Tom and Joyce was?

"She's got a great set of tits!" I answered.

"I told her you were a great pussy eater."

"What did she say?"

"She said, she was looking forward to it!"

"So, what did you think of Tom?"

"He's very nice. Joyce said he has a thick one."

"You like thick ones."

"I like them all. Now let's go to bed."

The next morning making coffee I noticed Jeanie sitting outside at the table. Grabbing my juice and coffee I went out to join her.

"Good morning Jeanie, how are you this fine morning?"

"You guys disappeared early last night."

"We were exhausted, Ally's still asleep."

"I haven't had the chance to thank you for the other night."

"Believe me, it was purely my pleasure."

"Are you planning anything for today?"

"We are going with Joyce and Tom, and I think everyone else, to the beach for a picnic and fishing. Would you and Dennis like to join us?"

"I would. I'll ask Dennis what he wants to do."

I reached across the table taking Jeanie's hand, "you look good enough to eat!" I smiled.

"My RV is empty, Dennis has gone jogging."

"What are we waiting for?" I took her hand and we hurried into her RV, which was parked next door.

Inside she turned to face me as her robe hit the floor. I untied mine, following suit. We wrapped around each other in lustful heat, making out like lovers.

"God, you can kiss!" I said after she'd sucked my tongue into her mouth, making love to it with heir's.

"Take me!" she asked as my hands squeezed her ass cheeks. Laying her on the couch, I gave her one last kiss on the lips, sucked her nipples erect going down on her succulent pussy.

Jeanie moaned in lustful pleasure as I licked, sucked, kissed, tongued, and fingered her clit, cunt, and asshole. Several mini-eruptions, a couple of good ones, and after fifteen minutes of non-stop oral stimulation, a powerful, massive, flooding, climatic orgasm.

Gasping for breath she was able to say, "Holyshit! That was wonderful."

Re-robbing "I'll see you at the beach?" I said heading toward the door.

"Don't you want to fuck me?"

"I thought we'd save that for later." I said.

"See you at the beach."

Ally had just gotten up when I returned from Jeanie's.

"Have you eaten breakfast yet?" she asked.

"I've eaten, but not breakfast."

"What? Do you want eggs and bacon?"

"Please."

At ten we all met at the pathway to the beach. The entire group, all twenty-two, set up their beach towels within shouting distance of each other. Tom and I, with several lookers on, went down to the waters edge. There was a lot of laughter as I attempted to cast my rig out past the breaking surf. It

took me several tries before success.

"Now what do we do?" I asked.

"Sit down and wait. Want a beer?"

"Thanks, but no thanks."

Holding a joint in his hand, "How about a hit?" he smiled.

"All right! I like this surf fishing."

We hadn't relaxed for five minutes when Tom got a strike. The advice as to how to land the fish was amusing from the group as Tom fought the fish for about ten minutes before dragging it up onto shore.

"What is it?" somebody asked.

"It's a Wahoo." Tom informed.

"Is it eatable?"

"Oh yes, they are great on the barbeque." The campground provided a table with running water to clean the fish. Tom, showed me how it was done and we placed the meat in the RV fridge.

Lunch was in full swing when we got back to the beach. Afterwards, everyone pitched in and cleaned the beach so the next visitor would have a pleasant experience.

Two by two the entire group went into the 80 degree gulf water. The bottom was pure white sand, firm to walk on comfortably. I followed Joyce out until the depth reached her shoulders. Turning to face me I couldn't help noticing her huge tits floating erotically. Joyce reached under the water grabbing my cock!

"This should fit between them." she smiled.

"Joyce, quit teasing me."

"I'm not teasing. I want your cock between my tits."

"You have no idea how much I'd enjoy that!"

"I think I do." giving me a little squeeze and kiss.

Next to us Tom and Ally were holding each other ass, grinding their crotches together, as they talked. Looking around I could see that nobody was with their spouse. They were all warming up to the partner they would fuck tonight!

We got back to the RV around four, after a nap I woke with an idea. "I've got an idea Babe."

"What?"

"Instead of swapping, why don't we invite Tom and Joyce to join us here. We've got a king size bed?"

"I think they like doing it separately, but I will ask."

At the cocktail hour, listening to Ted talking about cooking Wahoo, Ally whispered in my ear, "We're swinging!"

Dinner was as forecasted, better than description allows.

We sat around enjoying coffee's talking about everything and nothing. The group began to venture off to the RV of their choice. We walked slowly, arm in arm with our evening's partner to our fifth wheel. Once inside we went directly to the master bedroom. Tom and Ally stood naked together making out on one side of the bed, Joyce and I were on the opposite side.

Tom made himself comfortable on the bed, Ally positioned herself between his legs. I could see from my vantage point that Tom was average in length but thick. Ally had no problem taking him deep into her mouth. The last thing I heard was, "That's so good!" from Tom as Joyce began to lick my balls!

"Joyce, you sexy, sexy, bitch! Suck em!" I said as she sucked my balls into her mouth. "OOooh!" I groaned as the sharp, lustful, feelings shot from my nads! Replacing her mouth with a massaging hand she licked and sucked her way up my rock solid shaft. I could feel every flick of her tongue as she worked her way up to my engorged cock head.

"Oh, fuck is that good!" I said as she ran her lips up and down my shaft. I reached down with both hands grabbing her voluptuous tits. They felt so amazing in my hands. The sensation of lips on my dick and tits in my hands was erotic!

Joyce took control repositioning us so she laid on her back with me kneeling across her mid-section placing my dick between her magnificent tits.

"Oh, shit is that good!" I said sliding my dick back and forth between those fabulous melons with sucking lips caressing my cock's head each time it appeared above the canyon of luscious balloons!

"Fuck my tits! Fuck em hard!" she seduced.

I switched from long slow strokes to rapid fire ones. Joyce squeezed her tits together increasing the friction, as she licked and sucked me with each thrust.

"Yes! Oh, yes! Oh, fuck!" etc. I praised feeling the heat build up between her tits.

"Shoot it into my mouth." she seduced licking my throbbing head.

"It's going to be a big one!" I warned trying my best to hold the ejaculation back.

"Fuck! I'm cuming! Oh shit! Yes!" Tom cried out next to us, unloading a massive load into Ally's mouth. His ejaculation motivated me to join him shooting a load into Joyce's face! "WOOooh!!!" a second straight into her open mouth. "Oh, fuck!" a load on her neck and "OOooh!" lake cum between

her tits.

I wanted to keep humping between her cum lubricated tits, but my knee's were shaking from loss of energy. Exhausted, lying next to Joyce, she asked,

"Did you like that?"

"It was beyond anything imaginable!"

"Oh, good." she smiled.

I had enough energy to cuddle up next to Joyce giving her a thank you kiss. Gradually, the little kisses became lustful and passionate. Slowly I moved my oral arousal down her neck, onto her tits. Joyce responded erotically with humping, grinding body language as I sucked her nipples and massaged her pussy. Begging me to eat her, when I sucked her outti belly button.

"Eat me! Suck my pussy into your mouth." she insisted pushing my head toward her crotch. Tactfully, I moved between her spread legs.

Tom had skipped arousing Ally's tits and tummy going directly to her pulsating pussy! Ally was cuming on Tom's tongue as mine caressed Joyce's clit for the first time.

The erotic sounds of Tom making Ally cum on his tongue enhanced Joyce's lustful feelings of pleasure as my tongue excited her from clit to asshole and back!

"Oh god, are you good!" Joyce praised.

"I'm cuming! Oh yes, cuming!" Ally screamed exploding on Tom's tongue and penetrating fingers.

I admit I smiled listening to my wife cum, but I never stopped eating Joyce's pussy. Capturing my undivided attention, breaking into non-stop climax with my fingers in her asshole and pussy, she screamed erupting in orgasm, "OOOooh! AAAaaa! Wooo!"

I stopped tongue lashing her clit, but kept my buried fingers rotating. Joyce took several deep breaths attempting to regain her composure. The moment she thought she'd recovered slightly I reapplied the tongue action. Within minutes she was cuming, begging me to stop, saying she couldn't take another lick!

Ally was riding Tom's cock like a wild woman. It looked like she was trying to rip his dick off with her cunt. Tom's hands were dug into her moving ass and she screamed, "I'm cuming! Oh, yes! Don't stop! I'm cuming!!" Loosing all her energy she collapsed on Tom's chest. He kept his hands firmly dug into her ass moving her slowly up and down his shaft.

We looked at each other smiling. Joyce seduced saying, "Fuck me! I want your cock in my cunt!"

I couldn't wait to put my cock in that satisfied pussy. A tsunami had flooded it with her last massive eruption. Her soaking, wet, hot, flooded cunt welcomed my hardness with constant praise as I slipped to the depths of her lust canal.

"That's so good! I love it!" etc.

We made out with the first few thrusts discovering a zone that excited the stuffing out of her. Breaking off our lustful kissing, "Oh Alex, that feels so good!" she gasp.

I fucked her deep and slow until I switched into the ramrod position, kneeling with her legs over my shoulders. I couldn't believe my eyes seeing those magnificent tits moving up and down with each thrust. I pounded as fast as I could, always watching her tits responding to my forceful thrusting.

I didn't realize that Ally and Tom had finished and left the room. Joyce, with her husband out of the room, began to loudly praise every move we made together.

"Fuck me harder! I want to cum with you!"

Using her legs for leverage I slammed as hard as I could into her soaking wet cunt.

"Yes! Yes! Harder!" she praised.

We fucked so hard that beads of sweat formed all over our bodies. Each time I'd slam into her a loud sound of wetness was heard above everything else.

Joyce could tell by the expression on my face that ejaculation was near! Exciting the cum out of me she seduced, "I'm cuming with you! Fill me Alex, fill me!"

"Yes, Aaaaah, Oooh, Wool!" I unloaded a massive load deep into her sucking pussy. Joyce's cunt had contracted so tight it milked the cum from my balls.

"Oh, yes, fill me!" she gasp feeling the explosion in her cunt.

"Holyshit! What a fuck!" I praised.

We stayed in each other's arms until the immediate sensation of afterglow dissipated.

Going to join our spouses we found them in the sixty-nine position on the living room floor. They didn't even know we were there as we sat on the couch to watch.

Tom was on the bottom licking and fingering the heck out of my wife's cunt. She was on top deep throating his erection. There wasn't much communication other than moans and groans of pleasure. We watched until Tom erupted in Ally's mouth.

"It's still early, how about a walk on the beach?" Joyce asked.

Grabbing a large beach towel we exited the RV heading for the gulf. Not far from the pathway we selected a spot, spreading out the towel. Lying side-by-side we looked up into the heavens at the millions of stars that lit the night.

"What a beautiful sky." she expressed.

"Breath taking." I agreed.

"Would you like a sip of my wine?"

"No thank you. Would you like a hit?"

"Would you believe I've never tried it?"

"Never?"

"I've been around it all my life, but even with Tom smoking it regularly, I've never had the urge to try it."

I took a hit, "Kiss me." Joyce laid a big wet one on me. I exhaled as our lips were locked and she coughed after taking the second hand hit into her lungs.

"That was different. I don't feel anything."

I took another, we kissed again repeating the exhale, cough and "Woo! I feel that!"

Sensually, we began to make out. Kissing like lovers, Joyce relaxed totally requesting another try at the pot, but this time she wanted it directly from the pipe. One deep hit, no cough, and Joyce was in an erotic mood. This time she climbed on top of me as we kissed. I could feel her unzipping my pants, so I in turn slipped her's down.

"I'm going to suck it hard." she said moving into position to take me into her mouth. I honestly didn't think I'd come back to life but her persistence was rewarded. With Joyce on top we fucked as if it were the first time that evening. The pot gave Joyce that timeless feeling, and she fucked me forever! I didn't expect to cum, but like a reborn teenager, I filled Joyce's cunt one more time!

We must of laid there motionless for a half hour before getting redressed and heading back to the RV park. Sitting outside waiting for us were Tom and Ally.

"You guys have been gone long enough?" Tom questioned.

"We went down to the beach to watch the stars." Joyce replied.

"Is that all you did was watch the stars?" Ally asked.

"Not exactly. Alex got me stoned and I fucked his brains out!"

"You smoked?" Tom asked.

"Kind of. He'd kiss me, exhaling. But, I did take a puff from the pipe the last time. What have you two been up to?"

"We were out in the living room. We thought you and Alex were still in the bed room. We had no idea where you'd gone. We did suspect the beach."

"When we came out of the bed room you and Ally were going at it on the floor. We watched for awhile, then decided to go to the beach."

"We'd better get going Tom. Why don't you and Alex come over for coffee and breakfast in the morning. Not too early."

"See you guys in the morning. Thank you for a great night." Ally extended.

"Thank you, good night..."

"I'm exhausted," Ally said as we got ready for bed. "So am I." We silently got under the sheets and went to sleep.

The next morning from habit I woke, made coffee and went outside to enjoy the morning's first light.

"I thought you'd be up. Joyce is still asleep." Tom began the morning.

"Ally's out like a light also."

"I thought we'd go down to the beach and see if we can catch anything."

Standing on the waters edge with our fishing rigs out beyond the breaking waves we talked around the edges of last nights encounter.

"We haven't done it in the same bed, like last night, in years. I forgot how much of a turn on it is to have my wife being fucked right next to me."

"I know what you mean. I love to hear and watch Ally cum."

"Joyce said she had a wonderful time with you and wants to do it again soon, like tonight." Tom laughed.

"Ally didn't say much. She was wiped out from you making her cum. I'm positive she'll be ready for a repeat."

"I sure hope so. I really like your wife. She is fun to be with even between the fucks."

"Any plans for tonight?" I asked.

"Nothing, other than being with you guys."

"Do you know what today's activity is?"

"Going to Ft. Walton Beach, I believe."

"What's wrong with Henderson Beach?"

"They say it's the whitest sand beach in the world."

"Oh ?"

We fished for about an hour before heading back to the park. At Tom's, Joyce was preparing breakfast.

"I'll go get Ally." I said.

"You don't have to, she's inside making the coffee."

Taking advantage of the situation I strolled up to Joyce and gave her a passionate good morning kiss.

"Woo! Watch it mister or you'll be eating in the bed room." she smiled.

"Now that's an offer I won't refuse." we laughed.

Ally stepped out of the RV, "Catch anything?"

"No bites." Tom answered.

"No bites! Do you need something to munch on?" she smiled.

"I'll have desert after breakfast, if that's alright." he replied.

Actually after breakfast we had to rush to join the group for the caravan up to Ft. Walton Beach. The first stop was the center of town, the Chamber of Commerce, where we got a map which showed things to do and places to see. The town didn't have anything unusual to see, but the beach was magnificent. Huge dunes, pure, pure, white sand, and extremely wide with enough space not to interfere with other visitors. We set up as a group on a dune at the waters edge. There was absolutely no one else within sight on the beach, so our group was naked in a flash. We had volleyball, Frisbee's, beach balls, and horseshoes, all going on at the same time. Early afternoon the picnic lunch was served and a free swim was declared. Everyone pared up with their to be evening's partner and the pre-foreplay began.

"Look what I've got." Joyce said holding something in her hand.

"What is that?" I asked.

"A tube of Vaseline so we can fuck in salt water." she smiled.

Taking my stiffening cock into her hands she applied a generous supply onto my dick. Wrapping her legs around my waist, she guided my lubricated erection into her cunt!

"How's that?" she asked as our bodies melted together.

"Woo! Too good!" I said grabbing her ass and pulling her hard onto my dick. Knowing we had at least an hour before heading back to Henderson State Park, we humped slowly.

Ally, who shared the tube of lubrication with Joyce, was enjoying a from behind fuck from Tom.

We actually talked about the way they were fucking as we watched, fucking ourselves.

"Tom loves to fuck from behind." Joyce said.

"Do you know why?" I questioned.

"He thinks it allows him to go deeper."

"He doesn't have to worry about depth with that thick cock!"

"I know, but that's his thing."

"Obviously you've got a great set of tits, but I find your pussy to be magnificent. I love the way it wraps tightly around my entire shaft, milking the cum out of my balls!"

"Well since we are praising each other, I love your cock. It's both thick and long which makes me cum in quarts."

"If you keep talking like that I'll cum."

"Easy big boy, don't you dare!"

We really tried to make it for an hour, but at the halfway point I couldn't hold back any longer. We didn't have to increase our grinding and humping, the cum just flowed from my dick. Joyce noticed the abundance of liquid, and the ease at which my cock slid in and out of her.

"You came, didn't you?" she questioned.

"I couldn't help it. Your pussy sucked it out of me."

"Don't blame it on my pussy, it's your cock."

"I know. It just felt so good in you."

"Keep humping until you fall out, it just feels so good."

Like everyone else in the group we remained in the water until it was time to clean the beach and head back to the park.

Ally was exhausted and went in to take a nap. I was so excited about the evening with Joyce coming up, that I couldn't sleep. I sat outside at the table getting stoned, fantasizing about Joyce's tits.

"I see your in deep thought."

"Oh, hi, Jeanie."

"Where is Ally?"

"She's asleep."

"Too much sex at the beach!"

"I guess so. What are you up to?"

" Nothing, just waiting for Dennis."

"Where he'd go?"

"He's making a beer run with Ted."

"I thought I saw you with Ted at the beach today."

"You did, we fucked all afternoon."

"So did Joyce and I. Great beach, Ft. Walton."

"I still owe you a fling, you know."

"Is Dennis jogging in the morning tomorrow?"

"He never misses. Should we meet for coffee?"

"That sounds perfect to me."

"I hope I get you tomorrow night." she said.

"What's tomorrow night?"

"It's Swapper's Night! All the guys draw the RV they spend 8 to 10 in."

"The ladies don't have a say?"

"They can decide to talk, but your ass is there 8 to 10."

"Are there any other Swapper rules or activities I'm unaware of?"

"You know Sunday night is family night, no swapping. And the girls, just like the boys, have our little secrets."

"I haven't been informed of any secrets."

"That's because there secrets."

"Well, I know a secret."

"What is it?"

"I love eating your pussy."

"Oh, I love that secret."

"What are you two talking about? Ally asked looking as if she'd just woken up.

"Swapper's Night."

"What's Swapper's Night?"

"Tomorrow night, after dinner, the guys draw an RV to visit from 8pm til 10pm."

"A blind date fuck! Sounds like fun."

"I'm going to take a long hot shower. Want to join me Ally?"

"Oh, that sounds good, give me a minute to change."

I moved to the recliner lounge taking another hit falling asleep as Jeanie and Ally walked to the campground showers.

Standing side by side, with individual shower heads, they soaped and washed their bodies. Following the cleansing they enjoyed the pulsating, cascading, waters.

"This is just what the doctor ordered."

"You can't do this in the RV shower, too small."

"You can't do this either!" she said rubbing Ally's ass with her hand.

"Or this!" she replied dropping to her knee's baring her face in Jeanie's pussy. Jeanie spread her legs, pulled Ally's face hard into her pussy, fucking to climax. Exchanging places, with the water cascading down Ally's back, Jeanie ate her to eruption. Together they robed laughing all the way back to the campsite.

The girlish laughter woke me. "How was the shower?"

"Very refreshing!" they answered.

Ally dressed and I showered and dressed meeting Tom and Joyce for cocktails. We talked about the glorious day at Ft. Walton Beach. After dinner and coffee Tom and Ally left for our RV and Joyce and I left for hers.

Tom had an agenda, with a willing partner to help him achieve it. Making out on the bed Tom seduced Ally praising his experience taking her from behind. She built his ego telling him how much she loved his cock. Showing him how much, sucking him into erotic glory.

"You horny bitch!"

"I love your cock!"

Tom gave her a wet lustful kiss before going down on her. "Oh, yes! Eat me!" she praised as his tongue caressed her cunt. Fingering her pussy, tongue lashing her clit, Tom knew he'd established the right mind set when Ally gasp in climatic lust, "Put your finger in my ass!" His answer, two rotating, plunging digits!

"Oh, yes! I love it!" she responded.

Tom ate and fingered her relentlessly causing her to erupt in powerful orgasm.

Ally lay gasping for air, Tom crawled up next to her. A short kiss on the lips. "I want you doggie style." Ally smiled into his eyes rolling onto all fours.

"God, are you wet!" he said slipping in without resistance.

"You made me that way."

"I love fucking you." he said slamming hard into her.

"I love it too! Fuck me!"

Tom released her tit and grabbed her hips jamming up into her so hard she lifted off the mattress. Wham! Wham! Wham! Etc. he pounded bouncing across the bed.

Stopping for a moment to catch his breath, she seduced him, "Take me up the ass!" Tom grabbed the container of astro-glide, applied a generous amount to her asshole.

"You are one horny slut, Ally."

"Why? Because I want you in my ass?"

"No. Because you love to fuck!"

"I am a slut, fuck me!"

Tom penetrated her ass. "Oh, that's good!" she gasp.

"Tight!" he replied.

Ally welcomed each thrust with a "Yes!" Tom made animal sounds pounding for all he was worth.

"WOOooo!" Tom released a giant load into her ass.

"Fill me! Fill me with cum!" she screamed feeling Tom's ejaculation.

Over at Tom's RV Joyce and I were enjoying a long, erotic, foreplay. We made out from the moment we entered the RV. Our discarded clothes made a path from the entrance to the master. We rolled around making out like lovers. The moist feeling on my fingers told me Joyce was ready to move to the next level. Positioning myself between her legs I dove into her pussy tongue first!

"Oh, that's good!" she said as my tongue caressed her clit. Joyce tasted like candy as she flooded from the eruptions deep in her cunt. I fingered fucked her ass and pussy until the tsunami let go flooding her with gallons of lust liquid.

"I can't stop cuming." she cried. "Oh, Alex I love it! Woo, here cums another! Oooh! Yes!" she exploded in lustful climax.

Joyce's stomach and tits heaved as she struggled to recapture her breath. I slowly kissed my way up her body, allowing her to enjoy the afterglow of a great cum.

Once she'd recovered she knew exactly what to do. Sucking my dick hard she made assume the position with my cock between her squeezed together tits. The sensation of my dick thrusting between her magnificent tits made me realize that I had a tit fetish!

Joyce sucked my cock's head every time it appeared above her cleavage. Lubricated with perspiration, heated by friction, just like before I exploded into her face. This time Joyce caught every drop in her mouth, swallowing every drop.

"MMmm, you taste good!" she smiled with cum soaked lips, licking them clean with her tongue. I managed to direct my fall next to her sexy body. Cuddling, after a long silence, "I really enjoyed being with you today."

"It certainly exceeded anything I expected."

"Not just the sex. I enjoyed the entire day.

"I think I know what you mean, real friends!"

"Yes. Real friends." she cuddled closer.

I ran my hands gently over her ass, she gently rubbed "Happy" who was fast asleep.

We'd kissed and cuddled for a long, erotic, comfortable, time when Joyce went down sucking "Happy" awake! Once erect she climbed aboard seeking a wild climatic ride. I held her tits as she rode me like a whore trying to make her Jon cum. It wasn't a marathon, she climaxed in five minutes. I managed to let a little shot go myself.

One last good night kiss and I showed myself out. I looked for Tom on my way back, found him still fucking Ally. I waited outside for them to finish, said goodnight as he left, joining Ally in the master.

"If you want sloppy seconds tonight, you'll have to take me up the ass."

"I'd love too, but I'm pooped." I said crawling into bed.
