

Large Woman part II (300 lbs)

Karen sucked and played with my cock for the next 15 minutes, telling me how much she wanted my hard cock back in her pussy. I was taking in the view of Karen's huge tits, her nipples poked out so far I couldn't believe it. I was playing with her nipples the whole time she was sucking my cock back to life.

As I played with her rock hard nipples, I was telling Karen that I she had the best pussy that I have ever had. Karen pleaded with me to tell her more. Karen I said, "I am telling you right now, I want to eat your pussy every day, you are so fucking hot, I want to fuck you again right now".

Karen smiled with pleasure and said well your dick is plenty hard right now. I went back to the end of the desk and grabbed one of her feet. They were very smooth and nails painted red, and very fat also. As I played with her foot she was getting into it. I kissed and sucked on each toe, telling her how damn sexy her feet was, and I was going to fuck her sexy feet next.

As I sucked on her toes she started fingering her pussy, I was getting so turned on by the site of this huge sexy woman. I pulled her feet together and slide my cock between her soles. I pumped my dick in and out of her fat feet as she moaned. I was in heaven, her feet was so damn smooth and fat, I can't describe how good this felt. Karen was watching with a huge smile, asking me do you really like my feet. Oh, Karen you have the sexy feet I have every seen. This pleased her so much she said no man had ever gave her praise.

I fucked her feet slow, I wanted to enjoy every damn minute of this. Karen was moaning telling me to fuck her fat feet, please cum on my toes, cum on my feet, oh yes fuck my feet, oh yes baby fuck my feet. I was so turned on by her talk I was about to cum. Oh, karen my cum is building up. Oh please fuck them hard baby, I know want to cum on my feet, please baby cum on my feet, fuck them hard, please fuck them harder, fuck my fat feet. I grabbed her feet with both and gave her smooth fat sexy feet the fucking of their life. My dick quivered when I shot huge loads of cum down the side of her legs.

I was worn out after that I fell across her fat legs and just laid there for a minute with her rubbing my head. She pleaded with me to let her suck my cock clean, so after about 5 minutes I got up and put my cock by her mouth. She started in sucking and licking it clean. I have never seen a woman so damn willing to please before, it was so damn sexy.

Karen I said, I don't know if i can get hard again without some rest. Karen didn't say a word and kept sucking and licking. After about 10 minutes with no sign of life from my cock she ask if I needed more time. Let me go get a drink of water and we will try again. I walked down the hallway of the office buck naked and got 2 cups of water and brought them back.

We sat and talked for about 30 minutes, Karen was concerned that I would never want her again and this was a one time thing. I told her no way this is to damn good I want more, but I need to keep this a between the two of us. She said you can fuck me anytime you want with no question asked.

Karen asked me out of the blue if I had ever fucked a women in the ass. I told her, well I haven't and no woman had ever asked for it that way. She asked if we could try it. Well I will give it a shot. She reached down and grabbed my dick and starting playing with my dick and balls. Still no motion she said, she worked her way down to her knees and starting sucking the head every so lightly. Oh, baby you have suck a sweet cock, you want this in my ass don't you, come on and get that cock hard. she place her tongue on the tip of my dick and played with it. She took my dick and starting sucking it up and down, sucking like a vacuum cleaner. I started thinking about the huge wide ass as I watched it. My dick was coming back to life.

She sucked it till it was rock hard, she got up and laid her big belly on the desk has she bent over. I walked up to her ass and sized it up. Her ass was so damn wide, what a sight it was. I spread the cheeks of her big ass finding her hole. I took my hand and played with her pussy until she got wet and then rubbed my cock all around her pussy to get it wet. She told me to slide it in one time as she was close to cumming again. I slide my cock as she groaning I gave it a quick couple of pumps and she cried out "i am cumming again". I pushed my dick all the way and let her juices run down my leggs. I pulled my throbbing cock out and spread her large cheeks again till i fond her asshole. I was now nervous as I hadn't done this before, I guided my head right to her hole and pushed it with my hand. It was very tight but I got the head in, Karen came back to life, oh my that feels good, push a little deeper. I pushed my dick in another half inch, Karen was coaching me, push it in some more, I push in another whole inch. This was suck a strange feeling for me, her ass seemed to be clutching my dick. She said go ahead and go all the way in. I slide the rest in very slow until my balls were touching her ass.

Her ass had a death grip on my dick, she told me to give it a couple of slow pumps to see how it felt to her. I pumped it a couple of times. We both let a huge moan. Karen that feels so damn good, are you ok. She replied that she was ready for a good ass fucking let it fly. I pushed it back all the way in until I was in all the way, she said I want you to fuck my ass hard now. Karen I won't last 30 seconds in this tight ass I am so damn turned on

right now. She gripped the side of the desk and said make it the best 30 seconds of you life then.

Karen you are the best I told her, before I start can I just stand here for a minute and cherish this feeling of pure pleasure. My dick was in heaven, and I wanted this feeling to last. After about 30 seconds, I ask if she was ready. Karen gave me the all clear and I started pumping my cock in and out her ass, as shock waves rippled across her fat body I had made it about 10 seconds when she was screaming fuck my ass hard, do it fuck my ass hard, I started fucking her with all my might. After about 15 more seconds I knew I was about to blow a huge load, I had a death grip on her wide hips and blasted my first load into her sweet ass, and slammed it again as it continued to unload. I pull her ass up tight to me as my dick pumped loads of cum into her ass. I feel on her back as my dick shot another load. We stood there in that position for a few minutes with her ass still gripped to my cock. As my dick shrunk back to normal size it plopped out of her asshole.

I feel back into her chair and she turned over on her back and laid on the desk. I finally was the first to speak and told her WOW that was so damn good. We rested for another 30 minutes before we seen what a mess we had made all over her desk and floor. I told her we would have to clean this up before we left or someone would find out. She ask me if we could fuck one more time before we left, Karen I don't know if I can even get hard again. She said if I clean my pussy up will you eat me out 1 more time. I felt my dick move when she said that, well why not I do love that big fat pussy of yours. If you do, I will suck you hard again and swallow your load. Go get clean up and get that pussy back her so I can make you cum again. See part 3
