

Sloppy

Saturday evening was shaping up to be a night of erotic adventure. A week ago we had met a nice, young, single, fireman. He explained at our first meeting how difficult it was to meet women for meaningless sex. Today's female wants a commitment before consenting to sex. Our arrangement of "No Strings" was perfect.

Ally had prepared one of her special meals for Craig's second visit, Cornish Game Hens, with triple cheese mashed potatoes and butter nut squash with maple syrup. We began the evening out on the lanai with our favorite beverages.

"Anything special you'd like this evening?" he asked Ally.

"As a matter of fact there is. I'd like to suck you off before dinner right here in front of me." She smiled pointing to the space in front of the loveseat.

"You want me to stand, right here, and you'll suck me off?"

"How does that sound to you?"

"Like the perfect way to start an evening."

"After dinner we can get comfortable in the bedroom, and fuck sensually for an hour or so. How does that sound?"

"You don't want me to hammer you all night like last time?"

"I prefer to enjoy your entire body, not just your fabulous dick."

"What about you?" he directed at me.

"I'd like to watch you cum in her mouth so much she has to swallow twice! And, sometime during your fuck this evening I'd like to eat her pussy while you take her doggie style."

"Holyshit, that's kinky."

"What about you, what do you want?" she asked Craig.

"I just want to make you cum." he smiled kissing her.

"I need another drink, are you ready?" she said exiting for the bar. With her departure Craig asked me seriously what he should do to ensure he made Ally cum.

"Number one: eat and finger fuck her. She will cum in quarts. Number two: Let her ride you."

"Okay man, let's give her a night to remember."

"What are you two talking about?" she asked upon returning.

"We were discussing in depth how to make you cum."

"Oh, don't let me interrupt."

Continuing the conversation, "Before you fuck her let her ride your cock because she knows it's the perfect size to excite her deep "G" spot. Right Babe?"

"You do have the perfect cock." she said squeezing it firmly and kissing him passionately. He responded by slipping his hand up under her mini-jean skirt, massaging her hot, shaved pussy.

"Somebody's hot and ready!" he said breaking off the kiss.

"I've been ready ever since you walked in the door."

Again they wrapped in each other's arms making out like teenage lovers. Following a long lustful make out session Ally announced, "I want to suck your cock!"

As previously instructed Craig positioned himself standing in front of Ally with his dick out. She took it into hand, kissed the engorged head, saying, "I love your cock."

"Oh, you are good!" he praised as she began to make love to his dick and balls. She sucked the head, ran her mouth up and down his nine inches, and took both balls into her mouth.

"Oh, shit!" he cried out as she tongued his balls inside her mouth.

"OOoh!" he sighed as she ran her open mouth up and down his rock hard shaft. Looking up into his eyes she said, "Relax, I'm going to deep throat you." she calmly said. Without a flinch she slipped her mouth over his dick and down his complete shaft.

"Oh fuck woman!" he gasped as he watched her continue to deep throat him. She moved her mouth up and down his shaft as if she did for a living. I watched with open mouth not believing my eyes. It was so erotic I leaked cum watching my wife sucking him off. He ejaculated so hard, he lost his balance and fell onto the sofa. Amazed he asked, "You drank every drop! How was it?"

"Delicious!" she seductively smiled. "Did you enjoy it?"

"Holyshit, you are incredible! God, can you suck cock!"

"I love doing it and you are delicious!"

"While you two catch your breath I'll serve dinner."

At the table it was noticeable to me that Ally and Craig were lusting for each other. He continually praised her oral talent and she his perfect cock for sucking and soon fucking!

Upon completion of the meal Craig compared her cooking to her cock sucking talent, "marvelous!"

Coffee concluded when Ally suggested they relax and get comfortable in the bedroom. Wrapped in each other's arms they fingered, stroked, and

kissed until Craig positioned her in the center of the king size bed for his eating. He aroused her to greater heights, kissing, sucking, and squeezing his way down her body. Once between her spread legs, he parted her pussy lips and attacked her clit with his tongue.

"Oh, is that good!" she gasp as ripples of pleasure shot through her body. Keeping with his game plan he ate her to climax with just his lashing tongue. Next he finger fucked her pussy as he ate until she erupted again. Finally he fingered her asshole, cunt, and relentlessly caressed her clit with his tongue. The triple stimulation caused her to explode in waves of pleasurable climax. When she got to the point of no return she asked,

"Let me get on top."

"Be my guest." he said lying so she could mount up. With his dick now buried deep in her cunt she asked, "Do you like that strange cock in your cunt?"

"It's not strange anymore, it's the one I want!" she said moving more aggressively.

"Like it?" he asked thrusting up into her.

"I love it!" she replied.

Craig grabbed her moving ass with both hands pulling her down as he thrust upward.

"Fuck me!" she screamed.

"Fuck me." he replied.

Ally moved like a whore on a mission. Each time she begin to loose stamina she'd lay on Craig's chest and kiss him passionately until she had enough energy to once again ride like a cowgirl.

"Fuck him Babe, rip his dick off with your cunt." I interjected.

"Yeah, fuck me!"

"Oh, god I'm cuming!" she announced.

"Yes! Cum on his dick Babe!" I encouraged.

"I am, oh god I am!"

Craig continued to fuck her slowly as she collapsed onto his chest in climatic orgasm.

"I'm done." she admitted, "can we take a short break?"

We all got up, robed, and returned to the lanai for a recess. If I had been the one who experienced a climax like Ally had, I'd be done for the night. But, she was fully recovered and ready for more within twenty minutes. On the loveseat, I could hear Craig seducing her as he fingered her wet pussy. The two horny lust seekers broke off their constant kissing and headed back into the master.

Once back in bed they fucked and made out in the missionary position for a long sensual session. Craig switched the action asking her to roll over. The roll over was my sign to join the erotic action. I got onto the bed on my backside, Ally got on top in the sixty-nine position and Craig entered her doggie style!

I'm as straight as they come, the balls bouncing off my head and the cock sliding in and out of Ally's cunt, next to my licking tongue, didn't bother me.

"Oh, fuck, does that feel good!" she gasp taking her lips off my erection for a second. Both Craig in her cunt, and myself licking her clit, gave her non-stop, breath-taking, erotic, stimulation. The dual sensation caused Ally to release my dick from her sucking, stretch her head for the ceiling and bay like a wolf at the mood, "OOOooh!, Aoooh, OOOooh! She cried as waves of powerful pleasurable, eruptions flowed through her body. The erotic, animal sounds she made, the tsunami that flooded her cunt, made it clear that we'd be repeating this configuration many times in the near future.

Concluding her eruptions Ally dove off my body onto the bed.

"Are you okay Babe?" I asked concerned.

"Oh, fuck did I cum!" she gasp in reply.

"I know I almost drown."

Craig laid next to her on the opposite side seducing, "Did we make you cum good?"

"Oh, god, did you!"

"Your cunt clamped down like a vice on my dick."

"It does that when I cum."

Craig gave her a lustful, wet, kiss, slipping his finger into her cunt. "You are still tight!"

"What to fuck that tight pussy?" she smiled.

"Yes."

"Would you give me a cum bath?"

"Want me to shoot it in your face?"

"Yes, cover me in cum."

Kissing lustfully they wrapped their bodies together and roll into position with Craig on top between her legs. Reaching down she guided his long love stick into her hot, tight, cunt. The very first thrust went straight to the depths of her cunt.

"You are so fucking tight!"

"You feel so good in me."

"I love your tight pussy!"

"I love your perfect cock!"

Their lips locked in an embrace that didn't end until he pulled out to ejaculate. Kneeling, he made several hard, deep, rapid, thrusts, pulling out jerking off into her face, on her tits and all over her tummy.

The huge creamy white load that landed on her facial cheek, streamed down like a river onto her chest. The loads that hit her tits joined together between flowing down to lake cum on her stomach.

Ally laughed as waves of mini-climaxes shot through her body as each load of cum landed.

I immediately grabbed the camera to take pictures of the definition of "CUM BATH".

Craig had a smile from ear to ear as he scanned the cum covered body of his sex partner.

"That was one hell of a fuck!" I praised.

"That's a cum bath!" he proudly acknowledged.

"I've got some good news and bad news." I interjected.

"What is it?" Ally responded in a wifely tone.

"The good news is I'm going to have sloppy seconds in a satisfied, horny, woman. The bad news is Craig is going to have to fuck you again, and this time fill it!"

"Give me about forty minutes and I'll gladly fill it for you if Ally can handle me again."

"Give me forty minutes and a night-cap and I'll fuck your brains out!" she replied.

By the time she'd finished her vodka and Craig his beer, she massaged him hard under his robe.

"Are you ready for the big one, my lady?"

"Oh, yes, let's go!" she answered taking him into the master bedroom. There wasn't much foreplay as Craig got right to business. Kneeling between her raised spread legs he pushed into her moist pussy.

"Tight?" she questioned.

"Very tight!" he responded starting to hump rymmatically.

"Good, oh your good!" she praised as he fucked her sensually and romantically.

"I love my cock in your tight pussy." he whispered in her ear.

"So do I!" she responded.

Their interactions were so sensual I removed myself from their presence, not to foil the mood. Wrapping her legs around his waist she begged to be fucked harder.

"Fuck me Craig! Fill me with cum!"

Responding to her request he began to hammer her hard. She answered each forceful thrust with a loud "Yes!"

"Like that dick?"

"Yes, fuck me faster!"

He wrapped his arms around her raised, spread legs for leverage. Using his athletic, muscular, body he began to increase the RPM's.

"Yes! Yes! Oh, god yes!" she screamed as he moved at climatic producing speed.

"Oh, fuck is that tight."

"Oh, don't cum, it feels too good!"

"Cum with me Jane."

"Not yet! Oh, god, not yet! Oooh! Okay, now!"

"Yes! Oh, fuck!"

"I can feel you cuming. Oh, Craig fill me!"

I think Craig amazed himself with the giant load he deposited in Ally's cunt, yet he continued to move up and down and around in Ally's cum filled pussy.

Craig laid off to her side and I crawled up between her legs.

"I know your done, but I have to cum." I begged.

"Climb in." she smiled as my cock penetrated her cum soaked cunt.

"Oh, your full, he fucked you good!"

"I know and I can't wait until he fucks me again....."
