

Big Ugly Woman (part II)

I lifted one of Kay's huge feet to my mouth, I started sucking and licking her toes, she was moaning softly as I explored each toe. Her feet were huge, but very soft and white. Kay your feet are so damn sexy I was telling her. She ask me to lay back on the floor so she could rub my dick with her feet.

As I watched her huge feet play with my dick, rubbing the shaft of my cock with the soles of her feet. Wow, that feels so damn good I told her, as my dick sprang back to life and become rock hard. I reached down and held her feet together as I thrust in and out. Kay was getting into as she was telling me, "oh baby cum on feet you know you want to".

Kay really surprised when when she grab my dick between her big toes and started jacking me off. Oh yes make me cum on your big sexy feet. "Your going to cum and then you are going to eat my pussy again". "oh yes Kay I want your pussy".

I really wanted to cum on Kays feet so bad, she was doing a great job of jacking me off, if felt so damn good. The feeling of her soft feet on my hard cock was taking its toll, "oh kay, I am about to cum" she then place her sole of her foot on my cock and rubbed it back and forth until I shot loads of cum all over her foot. She rubbed my cum all over the soles of her feet.

She wasted no time after that when she got down on the floor with me and sat down on me. She completely cover me up when she laid on top of me. She move her tits up to my face and begged me to suck her hard nipples. I suck and nibbled on those big nipples until she was begging me to eat her pussy again. I rolled her off of me onto the floor again. Spread her big legs and dove in on that big fat pussy.

I grabbed her clit and suck it so had she was groaning "oh yes make me cum". I sucked and nibble her clit until she was going crazy. I worked that pussy and covered every inch with my tounge. By know I was getting hard again just thinking of that juicy pussy. When I got hard again I slid up and put my hard cock back into her pussy again. She moaned with excitement, oh god fuck me again she moaned.

I was laying on top of Kay and was kissing her as I pumped that fat pussy. She wrapped her powerful legs around me and I was giving her the fucking she needed so bad. When I starting sucking and kissing her neck I hit the magic spot, that drove her nuts. Her hips were bucking and I just keeping sucking and nibbling on her neck. We were in a fucking frenzy, her thrust were matching mine. My dick was in heaven, she just kept slamming that pussy against my balls. Please fuck me harder I am about to cum again she yelled. I fucked her with all my might, when she reach climax she had ahold of the cheeks of my ass so tight, that I shot my load too.

I feel on kay's massive tits and rested for a few minutes. Kay asked me if I wanted to come over to her house and clean up. Yes I need to get all your juices off me before i go home i told her. Will you fuck me again at my house. Kay if you can get this dick hard again you bet. Off we went to her house after dressing.
