

## Public sex with Tammy

I have told you all about the dressing room sex with tammy. I am so hot for her I would do anything she ask. Well she called me last week and ask me to meet her at a busy department store parking lot so I could follow her to a more remote location. When I met her at the parking lot at 3:30 in the afternoon she motioned for me to come to her car. I was suppose to just follwer her car. I thought she must be wanting to back out of this today. I went to her window nervous as hell about getting caught cheating on my wife. I went up to her window and she rolled it down and said quick get in I need to tell you something. I thought she was ending this affair after just the one time at the country club.

I walked around quickly and got in her car. I know more got into the car and she was going after my dick. Wo Tammy what are you doing there are people all over this parking lot. Oh, I don't care young man, I want you hard cock in my mouth now. I was so afraid of getting caught now that I was in a panic. Tammy I am getting out of this car and leaving you are going to get me busted by someone that knows my wife. Tammy was demaning that I take my cock out now. What is wrong with this woman. I got out of her car and went back to mine, when I reached my car she was right behind me. She pushed me against my door and rubbed my cock. She grabbed my hand and slid it up her dress to touch her bare pussy.

I could see people all around the parking lot and was scared to death. She just kept rubbing my cock and telling me get in the car now or I will drop down and suck your cock right here. Now my are was pounding so hard I thought I was going to die. But my dick was harder than it had ever been. She unzipped my pants and started to free my cock. Wait I will get in the car with you. We both climbed into the back seat of my car, and she wasted no time freeing my cock. Ok young man you call the first round, but the 2nd round you will fuck my ass with your pretty cock like you did last time right here in this parking lot in broad daylight. Oh god tammy, I don't know what if we get caught. Thats what makes this so damn good. She gave my shaft a couple of strokes, well if you don't tell me how you want it I am going to suck the cum right out of you.

I couldn't take it anymore I was in love with this horny bitch and she had control over me. Damn you horny old bitch. I want to make me cum using just your feet. She went to work pulling down my pants to my knees. she pulled her low heeled shoes off exposing her feet covered in black panty hose. Do you want bare feet or panty hose. OH god your feet look so sexy. Lets use the panty hose. Tammy's feet were just to die for, she had such a pretty arch on her feet. She started rubbing my cocked with both feet. As she rubbed with her feet, she ask, "you said feet only can I show you my tits while using my feet". Sure but you can only touch me with your feet.

She opened her dress with button down the front exposing her huge breast covered by a black laced see through bra. Oh my god I want to suck your tits. OH know not yet you only get the feet. She then started to tell me how wet her pussy was, Oh young man my pussy is so wet now, it wants your tounge on my clit. Oh you are going to fuck me as many times as I want right here in the parking lot. I didn't answer I was savoring the feeling of her panty hosed feet on my hard cock. I said you are going to fuck me as many times as I want right. Oh yes any way you want baby. You will fuck my ass good right, oh yes I will. I want you fucking me so hard this car is rocking. Tammy we are in public here. She held her feet together and started jacking me off with her feet. She again ask, "you will fuck me in the ass so hard this car will be rocking for everyone in this parking lot to see.

I was so close to cumming I wanted to answer yes, but I was so scared of getting caught. She reached down pulled at her panty hose making a hole on her left heel. She reached down and slid my cock into the hole and gave it a couple of pumps. Oh looking at the arch foot and feeling the head of my now buldging cock was almost to much. She again told me that I would be fucking her in the ass so hard that the car would be rocking. I didn't answer her until she pulled her body in closer, grabbing my cock and her own foot she starting pumping her foot up and down my cock. She was pumping as fast as she could, telling me to cum into her panty hose. I was getting close to cuming when she ask again, and I blurted out I want to fuck your ass so bad. She brought me to climax as loads of my hot cum shot into her panty hose and all over her foot.

She wasted no time in getting my cock into her mouth, she sucked my cock clean. She played with my cock for 25 mins until it was rock hard again. I was so damn horny, excited, and scared of someone seeing us that I couldn't wait to fuck tammy's ass. I told her turn around I want your ass right now. She pulled her dress up exposing her huge ass, which looked so damn sexy through her dark panty hose. You naughty old bitch you don't have any panties on do you. Oh, thats good young man, talk dirty to me. Well you ask for this ass fucking now didn't you. I started to pull her panty hose down, when she told me in a frantic voice, tear a hole in them and fuck me now young man.

I reached down and found her pussy soaking wet, I rubbed her twat for 2 seconds and then rubbed towards her ass. She handed me a bottle of lube she had brought with her. Put this on your cock, because I want you to last more that 5 mins this time. I took the bottle of lubed my cock up good. I stuck my thumb through her panty hose and up her ass. My thumb went into her ass all the way because if was slick from the lube. Oh god fuck me now young man fuck me now. I grabbed my hard cock and guided the head to her asshole. I pushed the slick head into her ass til it was gone. With any warning she back into me forcing my cock all the way in.

There we were in 4:30 in the afternoon in a big department store parking lot with tammy on her knees on my back seat with my cock buried deep in

her ass. Thank goodness it was winter time and it was starting to get a little darker. I gave her ass a couple of good pumps to test the waters. My cock was sliding freely and her ass felt so damn good. Looking at her huge ass in black panty hose was such a turn on for me. I grabbed her by the hips and starting giving her the fucking of her life. Oh i love you cock up my ass, fuck me good, fuck me good, oh yes my ass wants your hard cock. Rock this car young man rock this car. I was pounding her ass so damn hard the car was rocking and I didn't care who saw it right now. All I wanted was to shot my hot load of cum up Tammy's tight asshole. I pounded her ass for the next 3 minutes till she screamed she was cuming. I continued to fuck her as hard as I could. Oh, no you horny bitch you will cum 2 more times before I shot my load do you understand. Now I was in the driver seat, I got a firmer grip on her hips and continued to giver her the fucking of a life time. Come on you horny old bitch cum again for me, she was moaning oh fuck yes, fuck my ass. Cum now you horny old bitch I want to feel your juices run down my legs. I was pounding her ass so hard no I was about to cum myself. At the moment she was screaming oh fucking yes I a cuming, Im cuming. Her head dropped down to the seat, Oh I can't take any more. OH no you don't I want you to cum again when I do. Oh please lets rest she begged, I continued to pound her ass. You will cum again and then I am going to eat your pussy, before I give it a good fucking too, do you understand. She snapped to attention and started grinding her ass against my balls. OH tammy I am about to shot a huge load up her ass. Oh just when you are about too, fall on my back and squeeze my tits. About 20 seconds later I fell onto her back and squeezed her tities while I was shooting loads of cum up her tight ass. She cam again while I was shooting the last squirt of cum up her ass.

I wanted to wear this old bitch out to give her a taste of her own medicine. I quicking turned her over and dove down on her soaking wet pussy. She was squirming all over the back seat as I lick and sucked her clit. I sucked and licked her pussy for the next 20 minutes, she came 3 more times.

By now if was completely dark and I wanted her to go away feeling that this was the best fuck of her life. I was still thinking about her damn sexy feet. I moved back to the opposite door of the back seat pulled my shoe and sock of and started rubbing her pussy with my foot, she went wild, grabbing my foot and rubbing her pussy. I grabed her foot and tore her panty hose away from her foot. We began using each others foot to fuck each other. She started guiding my big toe in and out her pussy. I was rubbing her sweet sexy foot all over my shaft and head. I was leaned up against the door and watching the classy lady fuck herself with my toe. I clamped her foot with my hand hard against my cock and jacked myself off with her foot while watching her fuck herself with my toe. A short minute later I was shoting a load of cum on her sole. I used her foot to clean off my cock. She had brought herself to climax with my big toe. Oh my you dirty young man, You are the best fuck of my life. Tammy I want you more every day. That is my plan she said. I will call you in a few days for you next location. She leaned over and kissed my cock and said until we meet again. We both got dressed and she left.

Ok I was thinking she is in total control of this relationship.
