

Card Game

I got a message from Tammy to give her a call, when I did she said she told me that we could use her friend's house for some fun. I showed up at the proper time and knock on the door. Tammy answered the door and invited me in. I was disappointed to see she wasn't wearing anything real sexy.

When we got to the living room there sat 4 other ladies at a table playing cards. All these women were around Tammy's age (60's). Two of them were nice looking for the age, a little over weight but some nice tits, the other two were on the plump size with one having some of the biggest tits I have seen.

Good afternoon I said to the ladies, then I gave that look to Tammy, like what the hell are we doing. I didn't want to play cards, I wanted to fuck Tammy in the ass again.

Tammy whisper in my ear, just wait and see what I have in mind. When Tammy introduced me to her friends they were all polite, but kept playing their game. So, Tammy said does anyone want to up the wages? Two of the ladies jumped on it and said sure, how much more do we play for. Tammy said, oh no we are not going to play for money we are going to play for clothes.

Now these ladies didn't know about this and were all blushing now. Tammy grabbed my hand and led me to the table. Look ladies first we must all swear an oath not to tell what goes on here today. If you can't do that you must leave now. I was so nervous that one of these ladies might tell someone and it get back to my wife. After some discussions they all agreed with 2 of them saying they weren't sure if they were going to participate.

After a few rounds of poker I had just lost my shirt and shoes. The plumpest lady was down to her bra and panties, Tammy was just minus her shoes, and the others had just lost shoes. Over the next 20 minutes I was down to just my briefs, while the plumpest lady was exposing her tits, with huge hard nipples. I was getting so horny now I wanted to lick someone's pussy now. Tammy sensed my readiness and grabbed my cock to check it. Ok ladies, I don't know about you but I would love to get his cock in my mouth right now. Jaws were hitting the floor around the table.

Tammy asked me to stand, I wanted to but I was a little nervous, as this was getting very kinky. She stood up and brought me to my feet. She then pulled my briefs down exposing my hard almost 6 inches long and very thick cock. Ok ladies we are all in this hand gets this juicy cock first. One of the cruder older ladies said, wow I haven't seen a 40 year old cock in over 20 years, I all in.

Well, this next hand was very interesting as the plump women with big tits won the hand. She motioned me over to her chair and said well I won lets go to the bedroom so I can collect my winnings. I was so damn horny right now I didn't care what she looked like. Hold on Tammy cried out, we didn't say anything about leaving the room, you have to collect your winnings here so the rest of us can enjoy. This caused quite the ruckus, as she didn't want anyone to see. Look we are seeing you tits now and your pussy is soaking through your panties now are you going to waste this moment.

Two other women was so turned on she said if you don't fuck him here we are taking your turn. I couldn't take it any more so I went down on her and started pulling her panties off, she was resisting me while I was fighting with her hands trying to pull them down. Finally I just buried my face between her legs and forced my tongue through her panties, her hands stopped and I slide the crotch of her panties to the side and started licking her clit which was so swollen now she was moaning with excitement. I was pulling her down off her chair so I could get to her pussy better. The ladies were scrambling to move the card table. Once I had her on the floor I just tore her panties off her. I dove down into that hairy pussy and started tongue fucking her with all I had, she was moaning so that I was throbbing hard. After she had cum at least 3 times, I got on my knees and slide my briefs all the way off, grabbed my cock and was guiding it towards her pussy.

When I looked around for the first time there sat the other four on the couch playing with themselves as all their panties were off. I look at them and said does anyone want to suck her nipples while I fuck her good. No one answered but one of the better looking ones (ok she wasn't a goddess but she was the best one there) came down to the floor and said ok. I guided my hard, throbbing, purple headed, thick cock into her now soaking wet pussy. As I was about to enter her pussy she was begging me to fuck her. I slide my thick cock into her begging wet juicy pussy and buried it all the way. Wow, you have such a tight pussy, this is going to be good. I ask the other to throw down a pillow from the couch to put under her big ass so I could get a good fucking angle. By now we were all on the floor and there were hands all over my body.

Wow this was so damn hot, Tammy was tugging my ear and tell me to fuck that old cunt, fuck her good honey, her cunt is begging for you hard cock, fuck her cunt, fuck her cunt, make her scream. I was pumping the hell out of that old cunt when she scream in a blood curdling voice OH MY GOD, I AM FUCKING CUMING, a wave shot over her whole body. I hadn't cum yet and was wanting to unload in her tight cunt, when the first lady that had come to the floor pulled me back and said fuck me next young man fuck me next I was next on the floor, fuck me next.

The others agreed that she was the next one, I gave her a kiss and she grabbed my dick while we kissed. Well, I am throbbing right now, and want to fuck so you call it, how do you want it. I want you to fuck me while I eat someone else's pussy. There was more words being exchanged on who get to be ate out. So I pushed her back down on the floor and another pillow and grabbed her feet and put her bare feet against my chest. Her feet was so soft, wrinkled, and white, but her toe nails were painted a soft red. I guided my cock into her moist pussy. Wow, she was tight too, so I pushed it in all the way to my balls, she screamed oh my you are so thick (no I am not that big, but these ladies haven't had cock in a long while). I grabbed her ankles and held her pretty feet tight agaisnt my chest and pumped her tight pussy, slamming my balls against her pussy.

Meantime one of the other had sat down on her face to have their pussy ate. I slowed my pace cause I was about to blow my load. She notice my pace slowed and stopped licking pussy long enought to demand that I fuck her good the the last lady. I told her I will come in a couple of minutes if i do that. She said I am so close to cumming do it. I grabbed her feet tight and started ramming my cock so hard into her tight pussy, that my balls were slapping her ass. She pushed her friend off her face and started twisting her nipples, tammy started rubbing her tits and twisting her nipples for her, I was trying to hold back but I felt my balls getting tight. I let go of one of her legs and hugged the other one as i went into a fucking frenzy, slamming my cock like a jack hammer, she grabbed the carpet and screamed I was about to shoot my load so I pulled it out and unloaded all over her stomache, shooting 4 gushes of hot cum, she reach down and rubbed my cock which cause me to jump as the head was very sensitive. She pushed my back and said ladies we need to suck this cock clean so the rest of you can fuck this young man.

She and Tammy got down to my cock and started sucking it clean, I have never stayed hard after cumming before but they were giving me the best head ever. I watched as they licked my cock and kissed each other. Tammy gave the other plump lady a chance to suck some cock. I was throbbing and wanting to fuck someone in the ass. I asked who was ready for a good ass fucking. (check out part two)
