

My First Day

"It's going to be a great day," Dalton hummed to himself as he punched floor number twenty nine on the express elevator, "a new job in a new city, what could be finer!?" Dalton Huegdong was really looking forward to his new job as a systems analyst for a up and coming software firm, and although he had to leave his beloved Colorado, it was the opportunity of a lifetime so he up and moved his wife and young son to Chicago to take up the new challenge!!! As he walked through the lobby of his new office, he marveled at what a break it had been meeting Mr. Hartwell at that convention in New Orleans last January!!! He stopped at the receptionist's desk outside the private offices, introduced himself to the stunning blonde sitting behind the big desk and said, "I'm Dalton Huegdong and this is my first day on the job, could you please tell Mr. Hartwell that I'm here!?" "Mr. Hartwell left a note for you, Mr. Huegdong," the blonde replied with a big white toothed smile, "he's expecting you in the conference room for the regular Monday morning meeting!!! After receiving directions to the conference room, Dalton wandered back to the rear of the office complex, thanking his lucky stars for this new opportunity!!!

Dalton stopped in front of the closed conference room door, straightened his tie, and with a slight bit of trepidation, opened the door and stepped inside!!! "Hello, Dalton," Neal Hartwell said while rising out of his chair at the head of the table, "listen up everyone," he continued on, "this is the new systems guy we just hired and I want you all to make him feel at home!!!" Dalton couldn't even remember taking the hand of one of the men closest to him an shaking it, he was too far in a state of shock to remember much of anything, because as she stood there with his mouth hanging open, the ten men and three women sitting at the large conference room table were calmly masturbating as if it was the most casual thing in the world!!! Dalton tried not to stare, but it was impossible not to when ten men had their cocks out and were smoothly jerking them like there was no tomorrow, and the three ladies had their dresses hiked up above their waists and calmly fingering their dripping pussies!!!

Trying in vain to think of something to say, Neal Hartwell offered softly, "Kind of caught you off guard this morning. Neal mentioned that every Monday morning we all get together and let our hair down, so to speak, we find that it relaxes and prepares us for the coming week!!!" Dalton was about to reply, but he was interrupted by a blonde woman in her forties who all of a sudden let out with a low groan as a hard orgasm pulsated through her wide open pussy!!! All around the table both the men and women congratulated her on her fine climax, which was soon followed up by three of the men ejaculating their loads all over the table in front of them!!!

Dalton still hadn't said a word since he had entered the room, and his tongue was still tied when Mr. Hartwell took him by the arm and led him to an empty chair in the front of the room!!! Please sit down my boy," he ordered, "we have a special introductory welcome planned for you, and I'm sure that you're really going to enjoy it!!!" Dalton's brain was now at least coming to grips with what was going on around him, that is, until out of nowhere, the cute blonde receptionist that he had met on the way in appeared out in front of him, and with a quick deftness that was stunning, she unzipped his pants, extracted his now thickening dick, and after giving him a sweet smile, took him into her mouth and sucked him off in front of the whole crowd!!! Dalton was a married man who had never before strayed from his marriage vows, but this happened all too quickly, and he neither had the time or nerve to turn down this startling invitation!!! All around him the sounds of men and women having incredibly hard climaxes filled the air, and the accompanied by the skillful cock sucking by the receptionist, who Dalton would later find out was name Angela, he flooded the young slut's mouth with a torrent of sperm that was so monumental that she couldn't swallow it fast enough!!!

After everyone had climaxed, they all gathered around Dalton to shake his hand and welcome him to the firm!!! Still in a mild state of shock, he shook their hands and thanked them for their unusual welcome!!! After everyone had drifted back to their offices, Mr. Hartwell slapped him on the back and said, "Glad to have you aboard, Dalton, of course our little Monday morning meetings are kept strictly confidential, so if you have any questions, Reba Needsalot is in the office next to yours, just give her a buzz and she'll fill you in on everything you need to know!!!"

Dalton practically stumbled back to his new office, wondering for all the world if he had make a gigantic mistake in coming to Chicago!!! He stopped in front of his new office, rubbing his hand lightly over the engraved brass name plate that hung on the outside of his door, DALTON HUEGDONG, it read in large bold letters, "Maybe things would work out after all," he said to himself as he pushed open the door and entered his newly furnished office, "but I certainly won't be telling Sarah about our Monday morning meetings!!!" He tossed his coat onto an empty chair and was just about ready to sit down at his large oak desk, when a small feminine voice coming from behind him said softly, "I just want to welcome you on board personally, I hope you don't mind!!!" Dalton spun around to see who was behind him, and much to his surprise, Reba Needsalot was sitting in a large stuffed chair with her legs spread wide apart and her very puffy vagina staring him right in the face!!!

"W-what do you want," he stammered while unable to take his eyes off of Reba Needsalot' bulging shaved pussy!?! "You men are so silly," she said in a slightly condescending voice, "isn't it quite evident what I want, I want to you to suck my pussy for me, you're not going to be a disappointment are you!?" "Holy smokes," he said to himself, "what in the hell is going on around here, doesn't anyone ever get any work done!?" He was snapped back to reality when Reba asked again, but this time with more urgency, "Well, are you going to suck it or not, because if you're not, I'm going to masturbate right in front of you!!!" "Uh, look, Miss Needsalot," he stumbled, "I don't think that this is appropriate behavior between colleagues!!!" "Fuck appropriate," she retorted sharply, "I need a good cunt lapping, and if you're not up to it, just say so and stop wasting my time!!!" He wanted to run from the room and go straight home to his lovely Sarah, but the incredibly arousing vagina of Reba Needsalot was just too much for him, and seconds later he found himself on the floor licking and sucking the most succulent pussy he had ever tasted!!!

"Mmmmmmm, that's a good boy," she sighed as he let his tongue roam along her wet slit, "I could tell from the way you filled Angela's mouth that you would be good for my pussy, and I have to say that I was absolutely right, you are a cunt lapper supreme!!!" Dalton was now being drawn in by this Latina vixen, and even though he tried not to, his dick had become as hard as the finest piece of steel ever produced in Gary, Indiana!!!

"Ooooooolala," she moaned as her pussy exploded in a stunning string of orgasms that left her breathless, if not speechless, "you make Reba's chocha feel so nice, are you hard for her, because she needs your hard dick!?!"

He quickly stood up, and in one motion pulled down his pants and under shorts, leaving his hard dick standing proudly in front of the hot little bitch's hot pussy!!! "Ohhhhhh," she sighed while giving him a mini hand job, "mama's gonna love this!!!" Dalton's legs trembled slightly as Reba Needsalot gave his hard cock a nice long suck, but it was short lived, because seconds later, she was feeding his manhood directly into her Spanish fuck slot!!! "Oooooomph," she grunted as his thickness filled her to the brim, "you are a very talented young man, Mr. Dalton Huegdong, you make Reba feel like a real pussy, ohhhhhhhhhhh, fuck me hard, just like that!!!" "You talk too much," Dalton panted, "now shut up and let me fuck you in peace!!!" She was about to come back with a stinging rejoinder, but all at once Dalton viciously attacked her pussy with such ruthless abandon that she could do nothing but hold on for dear life as he pounded her helpless little chocha into total submission, until he finally blew his load deep inside of her, and wringing one more orgasm from her now satiated cunt!!!

After taking a minute to regain his sapped strength, he stood up on wobbly legs and asked, "Now, does anybody ever work around here!?" Now while pulling on her pink panties, Reba replied, "But of course, just never on Mondays!!!" Dalton was about to protest, but before he could say another word; Reba was down on her knees giving him another blow job!!! He looked down to see his big dick back in her hot mouth, and after throwing back his head in ecstasy, he said to himself, "Well, when in Rome....."
