

Older Girls Rule

"Please be seated Mrs. Beech," Julie Reamme said, "I've been just been looking over your application and everything seems to be in order!" "From what I can gather from your application," Jul continued, "you wish to perform oral sex on a young man with a large penis, and then have him reciprocate on you, is that correct!?" "Forty eight year old Beech turned a bright shade of red and then replied softly, "Yes, that is exactly what I want!" "Well, you've come to the right place," Jul enthused, "because we have every size and shape of men you can imagine, and I'm sure that we have one that will fulfill you every desire!!!" "Now, for the fun part," Jul continued, "take this book and thumb through it, it has the pictures and vital statistics for over thirty young men who basically fit the description you outlined in your application!!!" "The youngest is about nineteen and the oldest is twenty six, but they all have several things in common," Jul went on, "they all are well muscled and trim, with cocks that are at least eight inches long, so take your time, peruse the book, and then make your selection, and when you're ready, I'll buzz my secretary and have him brought here to the office so that you can see him in person!!!"

Sandy paged slowly through the catalogue, stopping occasionally to read the bio alongside the picture of the young man in question. "Oh, my," she thought to herself, "they're all so perfect, and their cocks, my goodness, every photo has the men with full erections, and they're just incredible!!!" After about fifteen minutes Jul asked, "See anything you like!?" "I like them all," Sandy replied, "but I think I like this one the best," as she pointed out the picture of a twenty two year old white male with a nine inch cock!!! "Oh," Jul replied, "a very good choice, Anthony is one of our most popular young men with our clients!!!" Jul pushed down the intercom buzzer on her desk and asked her secretary to page Anthony C. and have him report to the administrator's office at once!!! "It shouldn't be too long, I think he's out playing volleyball with a few of his buddies down by the lake," Jul said smilingly, "if he meets with your approval, you can get started right away, we have a room al ready to go!!!"

For the next five minutes or so, Jul and Sandy made small talk while they waited for Anthony to arrive. Sandy was just explaining about her husband's work when a sharp rap on the door stopped her in mid sentence while the young blond stud opened the door and entered the room. "Anthony," Jul said, "this is Sandy Beech and she just picked your picture out of our book!!!" Anthony gave the middle aged housewife a quick once over, and then with an absolutely illuminant smile, he extended his hand and said, "Very nice to meet you Mrs. Beech, I hope I can make your stay here memorable!!!" While shaking the young stud's hand, Sandy couldn't help but notice that incredible body the young man possessed, as he had just come from a volleyball game, and was wearing only gym shorts with no shirt, and his perfectly tanned torso was covered with a light coat of glistening sweat!!! "Just to show you that the photo wasn't doctored in any way," Jul offered, "I'll have Anthony expose himself so you know exactly what you're getting!!!"

A slightly embarrassed Sandy was about to protest that it wouldn't be necessary, but before she could speak, Anthony had slipped off his shorts and let his big huge throbbing member flop into view!!! It was stunning to say the least!!! Sandy couldn't take her eyes of the young man's genitals!!! "Does that meet with your approval," asked Jul, while Sandy continued staring at the now thickening member!!! "Mrs. Beech," Jul asked again, trying to get the older woman's attention away from the lad's crotch???" "Uh, oh, yes," Sandy finally stammered, "he'll do just fine, just fine!!!" "Okay, good," Jul said enthusiastically, "show Mrs. Beech to suite 313, will you Anthony, and both of you have a good time!!!"

Anthony used the electronic key to open the door to suite 313, and ushered Sandy Beech inside, and after looking around the room, she nervously and opined, "Very nice, don't you think!?" "Yes," Anthony replied, "the rooms are quite nice indeed, but we didn't come here to discuss room decor did we!?" "Uh, no we didn't," she replied softly, "what do we do first!?" "Well," he answered smoothly, "I'm a mess from playing volleyball, so I suggest that we go into the bathroom where I can take a shower and you can wait for me in the hot tub, how does that sound!?" "Very nice," she replied, "grateful that he had taken the lead and was making all the decisions for her!!! Anthony started the shower and was soon soaping down his magnificent body under the needle like jets of water coming from the pulsating shower head!!! While he was doing that, Sandy slipped out of her clothing and slid into the already full tub and waited for him! A few moments later, he slid into the warm water beside her and pushed a button on the wall that started the whirlpool action in the tub. "Oh man that feels good," he sighed as the bubbles swarmed around their naked bodies!!! Sandy's boobs floated on top of the water, and Anthony pulled her close and let them crush against his muscular chest, which caused her pussy to slowly begin to throb!!! "You have beautiful breasts," he said softly before kissing her deeply on the mouth and letting his hands roam across her back and down to her full ass!!! She moaned as his hands seemed to cover every inch of her body, while her own hand found his now expanding organ and slowly began jerking it under the warm bubbles!!!

After they broke away from their kiss, Anthony looked her in the eye and asked, "They never tell us what each client wants, leaving it up to them to convey their wishes, so tell me Sandy, what is your fantasy, what is it that you want me to do for you!?" Sandy looked down, slightly embarrassed, and replied in a mute voice, "I want to orally satisfy you, and then you do me!!!" Anthony lifted her chin, looked into her eyes and said softly, "Is that how you say it, orally satisfy, where I come from they say "I want to suck your cock and then you suck my pussy", now doesn't that sound sexier to you!?" Sandy looked away again and nodded her head, but Anthony wasn't having any of that and he said more forcefully this time, "We aren't gong to do anything until you tell me you want to suck my cock and then have me suck your cunt, got it!?" Sandy, now getting hotter by the second, stared into Anthony's eyes and said softly, "I want to suck your cock and then have you suck my pussy!?" "Now that's better," Anthony opined, as he slipped up onto the edge of the tub and spread his legs apart so Sandy would have a direct shot at his now very stiff huge throbbing member!!!

Nine inches of meat, that's what the catalogue had said, and as far as Sandy could tell it was a least that, as she pulled the swollen head into her mouth and sucked it like a baby sucks a pacifier!!! Anthony put is arms behind him on the floor and leaned back, relaxing while the old slut took care of hot thick member with her warm mouth!!! "Do you know what I've found," asked Anthony!?" "What," Sandy asked between sucks!?" "I've found that

older women are much better at sucking a cock than younger women," he continued, "they just seem to know how to satisfy a man while the younger ones always try to get it over in a hurry!!!" "In a hurry," Sandy thought, "how could anyone want this to get over quickly, this was the closest thing to heaven she could imagine, the head was so smooth and soft, and the shaft so long thick and throbbing, it was better than any cock she had ever sucked, bar none!!!" Sandy began working her mouth faster and faster up and down the length of Anthony's shaft, each time twirling her tongue around the head when she got to the top!!! His moans told her that he was close, and even though she had sucked a lot of cock in her day, never in her wildest dreams was she ready for the torrent of cum that spurted uncontrollably into her hot mouth!!! "Oh, shit," he moaned, "I'm fucking cumming so fucking hard, you are the best cocksucker I've ever had!!!" Hearing him extol her oral virtues, she jerked him with her hand as he emptied his nut sack into the back of her throat with vicious spurts of hot sperm!!!

After a few minutes of recuperation, while Sandy gently nibbled Anthony's huge throbbing member, he said softly, "How about we trade places?!" Now it was her turn, as he slipped back into the water and she placed her fat bottom on the edge of the tub and spread her legs! He slid over between her ample thighs and said, "Okay, Sandy, tell me what to do, I'm waiting for your orders!!!" Getting bolder, she reached down and pulled his mouth to her muff while saying, "Eat Baby's pussy for her, and make her cum in your mouth she did for you!!!" Anthony started to reply, but his words were muffled when his lips pressed against the gaping slit between Sandy's thighs!!! Finally getting into the game she hissed through clenched teeth, "Oh, god, eat my fucking pussy, do my fucking clit for me, you big bad fucking stud!!!" That's what he wanted to hear, he wanted to hear her feel passionately about getting eaten, and now she was not only asking for it, she was demanding it, and now she was going to get it!!! Anthony bored in hard with his tongue, expertly bringing the middle aged housewife to a thunderous orgasm that left her a quivering mass of jelly on the ledge of the hot tub!!! Taking time to kiss the inside of her thighs, Anthony softly asked, "Is it okay with you if I do one more thing!?" "W-what," she stammered, still not fully recovered from her climax?!? Standing up between her legs, Anthony took his now rock hard huge throbbing member, lined it up with her, and with one hard shove, rammed it all the way into her bulging slit. "I want to fuck your cunt hard and fast, you fucking little cock hound!!!" Sandy's eyes fairly bugged out of their sockets as the massive member drove headlong into her defenseless snatch; she let out a long loud groan as he pounded in and out of her with piston like regularity!!! "Like that, cunt," he asked devilishly!?! "Oh hell, yes," she panted, "that is the best feeling my pussy has ever felt, do me harder, do me harder, oweeeeeeeeee, I'm cumminggggg!!!" Anthony too was losing control of his nut, and in a hot second, his own climax raced out the end of his huge throbbing member, filling Sandy's pussy with a load of hot love potion!!!

Both of them lolled in the water, just floating as the bubbles wafted over their totally spent genitals!!! Anthony slid his arm around Sandy, while cupping her breast and said, "What I said earlier, about the older women, I meant it, they do give better head!!!" A smile broke out over her face and she replied, "Well, maybe before we leave I can show you that just one more time!!
